

Deeply 1009

1009 Niannian is missing (1)

She had always been tolerant and unwilling to force her son too much. That was why she had come to this point. She had a premonition that this woman would definitely hurt her son again, and the result was really like this.

She could no longer tolerate this woman getting close to her son!

“Mom, Yueyue.”

Su Wanwan still wanted to rush forward. The bodyguard seemed to be annoyed by her pestering and unceremoniously pushed her hard. Su Wanwan’s footsteps staggered back and fell to the ground.

Assistant Wu looked at her and was so anxious that she wanted to help her up. If boss PEI knew that master and Madam treated young Madam like this, he would definitely be heartbroken. However, if ran helped her up now, master and Madam might not even let him get close to boss PEI. In that case, no one would be able to tell su Wanwan about boss PEI’s situation.

However, he couldn’t let young Madam continue like this. What could he do?

Assistant Wu frowned and thought for a while. Suddenly, she thought of something. She quickly took a few steps back and hid in a corner. She took out her phone and made a phone call.

Yu Jia chased from behind. When she saw su Wanwan being pushed to the ground, she was so angry that she wanted to beat up those bodyguards. However, she was pregnant at the moment and couldn’t use force. Otherwise, she would definitely beat those people up like pig heads.

Wanwan, are you alright? ”

She took a few steps forward and helped su Wanwan up. She rushed forward without a care. Yu Jia almost used all his strength to pull her. Wanwan, don’t go over. You can’t win against them.

“But niannian definitely wants me to stay with him. I can’t just leave like this.”

“Wanwan, wake up. There are so many of them here. How are you going to barge in alone? You’d better calm down first and think of a way. Otherwise, I’m worried that young master PEI will be fine, but you’ll be in trouble.”

Su Wanwan still refused to leave. Now, PEI Munian was still in critical condition and he was lying inside. If she left now and something happened to him, wouldn’t she not be able to see him one last time?

She couldn’t leave if he didn’t give her a piece of his mind. She definitely couldn’t leave!

“Wanwan, Wanwan, Wanwan.”

Yu Jia still wanted to pull her back, but perhaps because she was too emotional and had been running around with su Wan, her stomach suddenly stung. She cried out in pain and her hand couldn’t help but let go of her and covered her stomach.

Su Wanwan didn't notice her abnormality. As soon as she let go of her hand, she continued to move forward and continued to plead with Mr. And Mrs. PEI, " dad, mom, I beg you to let me go over. Let me see niannian and accompany him.

PEI Munian was still in a critical state. He needed someone to encourage him and accompany him to overcome the temptation of death. She had also been on the edge of life and death before. She knew how important it was to have someone to accompany and stimulate her.

Therefore, no matter how they looked at her, no matter how they scolded or hit her, she had to persist.

"It's really like a ghost that can't leave!"

Madam PEI seemed to have been completely angered by su Wanwan. She looked at su Wanwan's eyes and became gloomy and ruthless. She looked at the bodyguards and said without any politeness: "If she doesn't leave, you guys can kick her out. No need to be polite!"

"Yes, Madam."

The bodyguards responded and walked towards su Wanwan step by step. They said in a deep voice, " miss su, I'm warning you one last time. You should leave and stop pestering us. Otherwise, we won't be polite with you anymore.

As he said that, he even deliberately waved his fist as a warning.
