1012 Niannian is gone (4)

Shen Ziwei brought su Wanwan back to the SU residence. Nanny li was playing with Xiao Zeze. When she saw su Wanwan's sorry state, she was shocked and quickly stepped forward. miss, what's wrong with you? " Why are you like this?"

Su Wanwan was in a daze and couldn't answer her question.

"Nanny li," Shen Ziwei said,"please accompany miss upstairs and help her with the hot water. Help her take a bath and change her clothes. At the same time, treat her wounds."

"Yes, young master,"

Shen Ziwei took the small swamp from nanny Li's hands. Nanny li went over and pulled su Wanwan, taking her upstairs.

Su Wanwan's entire person was very dull and let nanny li lead her. Her eyes were dull, without any luster, and dead silent. Nanny Li's heart ached when she saw this. What happened this time?

When Shen Ziwei came up with hot milk, su Wanwan had already taken a shower and was sitting on the bed for nanny li to apply medicine. Not only was her face injured, but her hands were also bruised when she was pushed down just now.

He walked in and placed the milk on the bedside table. Then, he waved at nanny li. let me do it.

"Yes, young master Ziwei." Nanny li stood up and handed the medicine to Shen Ziwei.

He sat on the edge of the bed, picked up su Wanwan's hand, and carefully applied the medicine on her hand. you're really stubborn. In that situation, how could you fight with them? Does it hurt?"

Su Wanwan lowered her eyes and her voice was extremely hoarse. She didn't answer and only muttered, " I don't know how niannian is now, ran ran.

She was really worried about him and wanted to go back to accompany him.

don't worry. Since there's no news from that assistant Wu, it means that PEI Munian is fine for the time being. Don't think about it.

After applying the medicine, Shen Ziwei picked up the milk and handed it to su Wanwan, saying, " "You haven't eaten anything all day, have you? Have a glass of milk, go down to eat something, and have a good rest for the night. I'll accompany you to the hospital tomorrow."

Su Wanwan's lips wriggled. She was about to say something when Shen Ziwei spoke first. you're not allowed to say no. If you don't eat or rest, I won't let you go to the hospital again. Even if you go, you won't have any energy. How are you going to guard PEI Munian? "

Shen Ziwei forcefully stuffed the milk into su Wanwan's hands. drink it.

Su Wanwan raised her eyes and looked at him. She was still holding the milk and drinking it little by little.

She did not have much of an appetite and only moved her chopsticks a few times before she could not eat anymore. Shen Ziwei did not want to force her, so he let her go upstairs to rest.

After he accompanied her to sleep in the room, he covered her with the blanket and left the room quietly.

Su Wanwan's sleep was not comforting. As soon as she closed her eyes, the image of PEI Munian lying in a pool of blood appeared in her mind. Clearly, a second ago, he was still telling her to think of a place to eat and that he would bring her out to eat when he came back. The next second, he had fallen lifelessly to the ground, covered in blood, all red.

She tried her best to run over, wanting to run to his side and grab him, but his figure was getting more and more blurry. She reached out and grabbed him, and he disappeared.

"Ah ..."

Su Wanwan screamed and suddenly woke up from her sleep.

Her whole body trembled, her hands and feet were cold. Su Wan stared blankly at the ceiling, gasping for breath. The sweat on her forehead slowly dripped down, and her whole person was extremely frightened.

Could something have happened to this Meng taotian and niannian?
