### 1026 Banquet at Hongmen (2)

Shen Ziwei saw su Wanwan's expression and knew that she wasn't in the mood to care about this. She only wanted to find PEI Munian now, so he could just go and find out.

After all, he knew what Mrs. PEI wanted to do so that he could deal with it properly and not be caught off guard.

Shen Ziwei walked towards his familiar business partners while su Wanwan found a seat with a good view and tried her best to look for PEI Munian's figure in the banquet hall.

However, su Wanwan didn't see PEI Munian after looking for a while. Her eyebrows couldn't help but tighten. PEI Munian wouldn't not appear today, right? Perhaps he was not fully recovered yet, so he could not attend the banquet. After all, Butler Xi had only said that this banquet was related to PEI Munian, but he did not say that he would attend!

About five minutes later, Shen Ziwei returned with a heavy expression. Su Wanwan saw that his expression was not right and her eyes couldn't help but sink. brother Ziwei, what's wrong? " Did something happen to niannian's Yingluo?"

As long as she could not personally confirm that PEI Munian was fine, she would not be able to calm down.

"It's indeed PEI Munian's matter, Wanwan."

Shen Ziwei nodded, but his tone was very heavy. Su Wanwan's heart couldn't help but skip a beat. The uneasiness in her heart grew stronger. what, what is it? "

Wanwan, after you hear this, you must calm down. Shen Ziwei gulped, his Adam's apple bobbing up and down. I heard that the purpose of tonight's dinner is Wanwan.

Before Shen Ziwei could finish his sentence, a voice suddenly came from the round stage in the banquet hall.

"Everyone, pay attention. Can you look at me for the time being?"

The emcee was standing on the round stage and speaking into the microphone to the guests in the banquet hall. thank you, everyone, for coming to this banquet tonight. Mrs. PEI asked me to express my heartfelt welcome and thanks to you all. I hope that everyone will have a pleasant night tonight.

In the banquet hall, there was a round of applause and everyone gathered around the round stage.

Shen Ziwei could only stop talking and walk over with su Wanwan.

The emcee paused for a moment and continued with a smile, " next, let's invite the host of today's banquet, Mrs. PEI, to the stage to say a few words.

The emcee clapped his hands and welcomed Mrs. PEI onto the stage. After not seeing her for more than a month, Mrs. PEI's spirit had completely recovered. She was beaming with joy and in high spirits. Today, she seemed to have dressed up and was full of nobility.

Su Wanwan immediately searched the place where she was standing just now, but she still couldn't find PEI Munian. Even Xi Zhiwei didn't see Qianqian.

Mrs. PEI stood on the round stage and looked at everyone with a smile. Her black eyes swept around the stage and finally fixed on su Wan. Her smile deepened and she slowly opened her mouth, " first of all, I would like to thank everyone for coming today. I know that everyone is very concerned about my son's car accident. I can tell you here that my son has recovered very well. Although his body is still a little weak and some wounds have not completely healed, he just needs to rest for a while. He'll recover completely."

"I've invited everyone here today to not worry about my son's injury, but also to announce a very, very important matter."

She paused for more than ten seconds as if she was keeping him in suspense before she continued with a smile, " this car accident has allowed my son to see people's hearts clearly. He has seen who is truly good to him and who is pretending to be kind, so he's stunned.
