1027 Banquet at Hongmen (3)

so, I'm here to announce that my son PEI Munian has officially divorced su enterprise's daughter, miss su Wanwan. The two of them have nothing to do with each other. In the future, a man and a woman will have nothing to do with each other.

As expected.

This was expected. Su Wanwan wasn't too surprised. She had already divorced PEI Munian. It would be strange if Mrs. PEI didn't announce it to the world.

However, her words just now clearly had a hidden meaning. What did she mean by who was really good to him and who was hypocritical?

Shen Ziwei's brows furrowed deeply when he heard this. He spoke again, "Wanwan, I just heard that Mrs. PEI is holding this banquet tonight to announce PEI Munian and Xi Zhiwei's marriage.

"W-what?"

Su Wanwan was still thinking about what Mrs. PEI was going to say next. Unexpectedly, Shen Ziwei's explosive news reached her ears and shocked her whole body.

"The marriage between niannian and Xi Zhiwei? How could that be possible?"

If PEI Munian had not woken up, Madam PEI and Xi Zhiwei could talk to themselves and there was nothing they could do about it. But now that PEI Munian had woken up, even if she was still recuperating and had difficulty moving, she wouldn't let them do whatever they wanted, right? Could it be that they had taken advantage of PEI Munian's recuperation to fool around behind his back?

As soon as Shen Ziwei finished speaking, Madam PEI, who was on the round stage, spoke up.

ever since my son got into the car accident, Weiwei has been with him and took care of him without rest. There were a few times when she was so tired that she almost fainted, but she didn't want to leave. Even when the doctor said that he might not wake up, she didn't give up. She always believed that he would wake up. It was also because of Weiwei that my son was able to get through this and survive. It was Weiwei who woke my son up!

as the saying goes, those who survive a great disaster will be blessed. My son survived and understood that the happiness that he had always wanted was right beside him. Hence, I would like to announce once again that my son, PEI Munian, is officially engaged to my Wei Wei, Miss Xi Zhiwei. When my son has fully recovered from his injuries, we will hold the wedding!

As soon as these words came out, the entire place was in an uproar. Even though Mrs. PEI had already revealed that she was going to announce her son and Xi Zhiwei's marriage tonight, no one expected the details to be so shocking.

Previously, PEI Munian had broken off with the family for su Wanwan. PEI Munian's father even issued an announcement in the newspaper, announcing that PEI Munian's status as the heir was abolished. Everyone thought that PEI Munian and su Wanwan's love was as strong as gold. PEI Munian only wanted

the beauty and not the country. However, they didn't expect that after a car accident, the two of them parted ways.

In other words, at the moment of PEI Munian's life and death, su Wanwan ignored it and thought that PEI Munian was about to die and couldn't get any benefits, so she quickly divorced him?

This woman was too realistic and disgusting.

Everyone's eyes couldn't help but sweep towards su Wanwan. Their eyes were full of disgust and disdain. Before, there were some who sympathized with her, but now they only felt that she brought this upon herself. Moreover, after doing such a disgusting thing, she could still come here as if nothing had happened. It was really ridiculous.

Su Wanwan pulled the corner of her lips and laughed in anger.

Even though she knew that Madam PEI was up to no good, she didn't expect her to be so twisted and twisted.
