1030 Banquet at Hongmen (6)

Su Wanwan's eyes narrowed. She stared at the two bodyguards in front of her and bit her lower lip. move!

The two bodyguards did not move. Behind them, they heard footsteps, followed by Mrs. PEI's voice. miss su, Munian is still very weak and needs to rest. We don't want anyone to disturb her!

An insignificant person?

Su Wanwan slowly turned around, her black eyes fixed on Mrs. PEI. She tugged at the corner of her lips and her voice unconsciously carried a little ridicule, "it doesn't matter whether it's true or not. It's not for you to judge.

She had always been polite and courteous to Mrs. PEI. She respected her as an elder and, more so, because she was PEI Munian's mother, she had never said a single cold word to her no matter what she did to her.

In the past, Mrs. PEI was also a reasonable person. She really did not expect that she would become like this.

Since she was so aggressive, she could not give in.

"After seeing such a scene today, you still haven't given up? He was touched by everything that Weiwei had done for him and understood his own heart. He knew that the person he truly loved was Weiwei, who had always been by his side, and not you, the woman who had always hurt him. That's why he wanted to give Weiwei a proper status and make her the rightful young Madam of the PEI family."

you've seen it for yourself just now. Even though mu Nian is weak, he still came out to socialize for Weiwei's sake. He wanted to let the guests know that he values the engagement party and Weiwei.

the truth is right in front of you. Don't you understand that you're an insignificant person in mu Nian's heart? "

Su Wanwan quietly listened to Mrs. PEI finish this long paragraph, but her expression didn't change in the slightest. Even her eyes didn't fluctuate at all. She even curved her lips and laughed.

"You're the one who's saying everything, and you want me to believe you? I'm sorry, but I don't believe anyone's side of the story. I only believe in mu Nian."

In the past, she loved to think about things. She would always make wild guesses and feel anxious. In the end, the facts proved that she had been overthinking.

She had also promised PEI Munian that she would trust him in the future. Hence, before she made things clear, she would not let her imagination run wild and scare herself.

Even if he had been so cold to PEI Munian just now, she believed that he had his own difficulties, just like what happened to Xi Zhiwei last time.

Mrs. PEI didn't seem to think that su Wanwan could still be so calm at this time and couldn't help but raise her eyebrows.

She had underestimated her.

That's right, if she, su Wanwan, didn't have this level of skill, how could she have her son in a daze and unable to extricate himself?

What a troublesome woman! If she had known this earlier, she would not have agreed to mu Nian marrying this woman. It was simply a misfortune for the family!

Mrs. PEI's Black eyes narrowed and her expression was cold. She sneered and said, " in that case, I'll let you see mu Nian so that you can give up on this idea completely!

She was willing to let her see PEI Munian?

Su Wanwan's eyes flashed with a trace of surprise. She didn't expect Mrs. PEI to be so forthright this time.

Mrs. PEI glanced at her coldly, raised her feet, and walked towards the backyard. Su Wanwan hesitated for a second in place, then raised her feet and followed.
