1033 Meeting a man in the middle of the night (1)

However, her hand was blocked by the man's raised hand. The moment the man's hand touched hers, she frowned and confusion flashed in her eyes.

Why is this hand so soft?

Before su Wanwan could think of anything, she was caught by two bodyguards who rushed over from behind and pulled her away. Xi Zhiwei also rushed up nervously from behind and squatted beside PEI Munian. "Brother mu Nian, are you alright?"

The man seemed to shake his head slightly. I'm fine.

Su Wanwan was a little too surprised. She let the two bodyguards pull away and didn't struggle.

After Xi Zhiwei was sure that PEI Munian was fine, she stood up suddenly. Her dark eyes were calm and the way she stared at su Wanwan became unfriendly. sister Wanwan, I welcome you to visit brother Munian, but you know that he's still very weak. How can you suddenly come and hit him? I'm sorry, I have to ask you to leave now.

After a pause, Xi Zhiwei continued, " brother mu Nian has already made it clear to you just now. We'll hold our wedding after he recovers. So, sister Wanwan, I hope you won't come and harass brother mu Nian anymore. Just like what you said to me before, I'm returning it to you now. You, stay away from my husband!

Su Wanwan didn't care about what Xi Zhiwei said. Her eyes were fixed on the man in the wheelchair. The light in her eyes flickered, probing and complicated.

Xi Zhiwei noticed her gaze and inadvertently took a step forward. She directly stood in front of the man and blocked su Wanwan's line of sight. She then said to the two bodyguards: "Please leave, sister Wanwan."

"Yes, Miss Xi,"

The bodyguard responded and dragged su Wanwan out of the room. After leaving the second floor, Shen Ziwei chased after her from the banquet hall. As soon as he saw her, he immediately stepped forward and took her back from the hands of the two bodyguards.

Wanwan, are you alright? "

Shen Ziwei's dark eyes fell on su Wanwan's face. Seeing that her face was slightly pale and she looked a little dazed, he couldn't help but frown and a trace of worry flashed in his eyes. Wanwan, Wanwan, Wanwan, did you see PEI Munian? " Did he say anything to you?"

Although she asked this question, from her expression, he knew that she must have met PEI Munian and said some unpleasant things. Otherwise, she would not have such an expression.

"Come, let's go home first."

He didn't pursue the root of the matter, but took su Wan and left with her.

Along the way, su Wanwan remained silent. As Shen Ziwei drove, his eyes drifted over to her from time to time. His brows furrowed tighter and tighter. She didn't know what kind of blow that pale little face had suffered.

If he had known earlier, he wouldn't have let her meet PEI Munian alone. If he was present, he could help to beat her up.

The car drove back to the SU residence. After Shen Ziwei stopped the car, he unbuckled his seat belt and was about to get out of the car when he saw su Wanwan still sitting in her seat in a daze. He sighed softly and helped her unbuckle her seat belt. Wanwan, we're here. Get off the car.

Su Wanwan still didn't react at all.

He couldn't help but reach out and gently push her shoulder. Wanwan, can you hear me? "

"Ah?" Su Wanwan blankly opened her eyes and then looked at Shen Ziwei. brother Ziwei, what's wrong?
"

Shen Ziwei sighed. Wanwan, what exactly did PEI Munian say to you? Is he really going to marry that Xi Zhiwei?"
