1034 Meeting a man in the middle of the night (2)

"Yes, I'm getting married." Su Wanwan's expression was still in a daze and she nodded in a daze.

".....?"

Shen Ziwei helplessly looked at su Wan. Was she hit so hard that she became stupid? now she can actually say such words so calmly?

"No, come with me into the house first! Let's sit down and have a good chat."

Shen Ziwei pushed the door open and got out of the car. He walked around to the front passenger seat, opened the door, grabbed su Wanwan's wrist, and took her down. Then, he walked towards the house.

Nanny li was still awake. When she saw them coming back, she quickly came up to them, took out slippers, and placed them by their feet. young master and miss, you're back.

She saw that su Wanwan's expression wasn't good and was also worried. miss, are you alright? "

"Go get me a cup of warm water," Shen Ziwei said to nanny li.

"Yes, young master."

Shen Ziwei led su Wanwan to the living room and pressed her down on the sofa. Nanny li brought over a cup of warm water. After he took it, he stuffed it into su Wanwan's hands. drink a glass of water first.

Su Wanwan held the cup with both hands. The warm water warmed her palms and slightly pulled back her consciousness. She then held the cup and drank it in small mouthfuls.

Shen Ziwei sat down beside her and waited for her to swallow the water in her mouth before he spoke. tell me, what did PEI Munian tell you? "

Su Wanwan furrowed her brows and looked at Shen Ziwei. After staring at him for a few seconds, her lips moved slightly and she slowly opened her mouth. However, she did not answer Shen Ziwei's question. Instead, she asked, " brother Ziwei, did you notice anything different about PEI Munian today? "

"Different?" Shen Ziwei retorted and immediately felt that su Wanwan had asked a funny question. of course he's different. He's completely changed. Not only did he turn a blind eye to you, but he also wants to get engaged to that Xi Zhiwei.

"No, I'm not talking about that." Su Wanwan interrupted him. I mean, doesn't it look different when his people look at it? "

She was too excited tonight and did not notice the change in PEI Munian. She did not think of suspecting anything either. However, when their hands touched, she did not feel a sense of familiarity. Instead, she felt that it was a stranger. She felt that Yingluo's hand did not seem like PEI Munian's.

However, the time they had been together was too short, and she couldn't be sure if her feelings were right, so she kept staring at the figure. However, he was wrapped too tightly, and it was difficult to

recognize him with the naked eye. After all, his figure and the curve of his face were the same, and she couldn't see his eyes.

"What do you mean by people look different?" Shen Ziwei frowned in confusion. Wanwan, what are you trying to say? "

Su Wanwan swallowed her saliva and spoke out all the thoughts in her heart, " I suspect that the man who appeared tonight is not Nian Nian.

If it was Nian Nian, if he still remembered her, he would not have said those heartless words to her, and he would not have married Xi Zhiwei. Previously, on the top floor of Xi Zhiwei's apartment, Xi Zhiwei had threatened him with her life, but he had never let go. Before that, when they were in a heated argument, he had never wanted to marry Xi Zhiwei. How could he marry her now?

Shen Ziwei could not help but be shocked. Are you sure? The man tonight isn't PEI Munian?"
