

Deeply 1035

1035 Meeting a man in the middle of the night (3)

"I'm not sure, but I still feel that he's not my niannian. I believe that my niannian wouldn't treat me like this."

Between lovers, there was always a telepathic connection. She couldn't tell if the person was niannian from the outside, but the moment their hands touched, she could feel that the pair of hands was unfamiliar.

She had loved PEI Munian deeply for so many years and was extremely familiar with this man. If it was niannian, she would not be so unfamiliar with him.

Shen Ziwei furrowed his brows and pondered for a while. If what you said is true, then PEI Munian seemed to have changed into a different person tonight. Perhaps Mrs. PEI and Xi Zhiwei really did get someone to pretend to be PEI Munian to confuse you so that you would give up on her.

Otherwise, why would Mrs. PEI specially invite her to the banquet and let her see PEI Munian so easily? she must have planned this all along.

however, if this PEI Munian is a fake, where is the real PEI Munian? "

Shen Ziwei's question was also what Su Wanwan was confused and worried about. Did PEI Munian know about this? or was there still a problem with his body?

What she was most afraid of was that something had happened to PEI Munian's body. It had been more than a month, but he had not contacted her. This made her extremely worried.

"Brother Ziwei, do you think something's wrong with Yingluo's body? Is it not as good as what Mrs. PEI and Xi Zhiwei said?"

Shen Ziwei's gaze turned serious and his expression turned solemn. I'm worried about this too. When assistant Wu called you, didn't he say that he was always asleep when he went to visit PEI Munian? That's why I haven't had the chance to talk to him. I'm thinking, could PEI Munian still be unconscious?"

Still not awake?

These few words were like a sharp blow to the head. Su Wanwan sat up straight all of a sudden and her face became paler.

"No, that's impossible." She shook her head subconsciously and her voice trembled. he can't be still unconscious. I clearly saw his fingers moving at that time. He had already regained consciousness.

If PEI Munian had not woken up after more than a month, he would be in deep trouble.

but Wanwan, you only saw his fingers move, but you didn't see him wake up, did you? "

Although Shen Ziwei did not want to break her hope, he still wanted her to see the reality. but you don't have to worry too much. I think that even if PEI Munian has not woken up, her life is not in danger for the time being. Otherwise, Mrs. PEI and Xi Zhiwei would not have the mood to cause such a scene tonight.

That's right, if PEI Munian's ran ran was really in danger, Mrs. PEI and Xi Zhiwei wouldn't have to make her give up.

so, Wanwan, calm down first. Our main task now is to confirm whether this PEI Munian is the real one or not. If she's fake, where is the real PEI Munian and how is she now? "

Shen Ziwei thought for a while and said, " we can't get close to PEI Munian at the moment, but assistant Wu can. Get him to think of a way to test her. He's been working for PEI Munian for so long. He must be very familiar with her.

"Yes, I know."

Sure enough, when people panic, they panic. Fortunately, Shen Ziwei was here to remind her. Su Wanwan immediately took out her phone and made a call.
