### 1038 Meeting a man in the middle of the night (6)

Shen Ziwei looked at su Wanwan. These days, because of PEI Munian's matter, she had been tormented in all kinds of ways and was also under mental pressure. Previously, she was sick and during this period of time, she quickly lost weight. The little bit of meat that she had regained had all disappeared. Her face was also very bad and pale.

Even if she didn't feel sorry for herself, his heart would still ache.

He originally wanted to persuade su Wanwan to relax and take care of herself first. Anyway, although she couldn't contact PEI Munian, no matter what, father PEI, mother PEI and Xi Zhiwei would not let anything happen to PEI Munian. She didn't have to be so worried.

However, he also knew that su Wanwan would not be at ease until she found out about PEI Munian's true condition. How could she really feel pain without the needle on her skin?

Since that was the case, he could only quickly investigate these things so that she could have a good sleep.

Shen Ziwei was silent for a moment. Wanwan, it's right to ask assistant Wu to check if Mrs. PEI had secretly arranged for that incident at the hospital. However, you're still missing one person.

Su Wanwan immediately understood. Xi Zhiwei? "

yes, Mrs. PEI knows where PEI Munian is. Xi Zhiwei must know as well. If PEI Munian is still in the hospital, she will definitely visit her. If we follow her, we might be able to find out which hospital PEI Munian is in.

"Yes, I almost forgot about her. Recently, Mrs. PEI would not have caused so much trouble on her own. After all, Mrs. PEI was educated by the rich and powerful. She would not have used such dirty tricks. No matter how I think about it, it was all Xi Zhiwei who instigated her."

Su Wanwan felt depressed when she thought of this.

She finally understood why Mrs. PEI hated her so much. Xi Zhiwei had a hand in it. She did not know how many bad things she had said about her to Mrs. PEI.

that's right. All this time, they've been in the dark while we're in the light. That's why we've been beaten up everywhere. If you care more, you'll naturally be restrained by them. So Wanwan, even if you care, you can't be too obvious. They're just grasping on this point that you care about, which is why you're helpless.

"I know," Su Wanwan smiled bitterly, " but how can I not care? " He's my husband, Yingluo."

however, I will not continue to be beaten like this. I will not be so anxious that I can't do anything anymore. All this time, I have been kind to people. Even if Xi Zhiwei did so many embarrassing things, I have not quarreled with her. Even Wanwan.

She had even lost her innocence because she had saved PEI Munian when she had killed her child. She had thought that she should just let it go and make it up to PEI Munian, but she had pushed her further and gone too far.

Although she did not finish her sentence, she clenched her fists unconsciously, and the veins on the back of her hands bulged. She bit her lower lip and continued, " "I'll look into Xi Zhiwei myself. I'll definitely find niannian."

okay, then you should be careful. If you need help, just look for me.

brother Ziwei, thank you.

Shen Ziwei smiled and raised his hand to rub su Wanwan's head. we're siblings. Do we need to say thank you? "

Su Wanwan returned a smile.

Xi Zhiwei's schedule was very easy to find out. After all, she was a public figure. Recently, because of the news of her engagement with PEI Munian, she had attracted even more attention. From time to time, there would be paparazzi following her.

Su Wanwan spent some money and got someone to sort out her itinerary. She drove and followed her every day.
