1041 An explosive secret (1)

“Yeah, you’re my ATM, aren’t you?”

The man sat on the sofa and looked at her lazily. His lips curved into a devilish smile. He lowered his voice and teased, “ anyway, you’re going to marry the PEI family’s Crown Prince soon. You’ll be a daughter-in-law worth hundreds of billions in the future. You don’t care about such a small number of one million, do you? ”

Xi Zhiwei was so angry that she laughed.

She didn’t care about the one million Yuan. She had given it to him, but it wasn’t enough to just give him one million Yuan. He was one million Yuan after another. He was a bottomless pit that couldn’t be filled. His appetite was getting bigger and bigger!

“Don’t give me that. I’ve given you a lot of money in the past year, almost ten million in total, and you’re still not satisfied. It’s only been half a month, and you’re asking me for money? Let me tell you, I don’t have money. Even if I did, I wouldn’t give you any more!”

Xi Zhiwei stared at him coldly and said hatefully, don’t call me again. I won’t pick up, and I won’t come to see you again. You’re on your own!

With that, Xi Zhiwei turned around to leave, but the man clicked his tongue.

He was not in a hurry at all. He was still leaning on the sofa with a smile on his face as he continued to speak lazily, “ Weiwei, it seems that you’ve become unyielding after seducing the PEI family’s Crown Prince. Are you turning your back on me? Fine, since you want to break up, then we’ll break up. I’ll find the Crown Prince and tell him all the good things you’ve done. I’ll let him know what kind of terrible things your gentle and kind fiancée has done. Let’s see if he’ll still want you.”

Xi Zhiwei stopped in her tracks and turned around. Her eyes were extremely cold. do you think that by saying these things, you can stay out of it? ” I’m telling you, at most, I’ll lose all my reputation, but you’ll have to go to jail! I’ve kept all the evidence of you blackmailing me for the past year.”

The man’s expression changed slightly and he stood up from the sofa. I knew a woman like you wouldn’t be honest. So you have a backup plan.

you can’t blame me. If you want to blame someone, blame yourself for being too greedy and greedy. So, you’d better not act rashly, or I won’t let you off easily!

However, Xi Zhiwei’s harsh words did not scare the man. His expression only changed for a moment before he quickly regained his calm. you want to send me to jail? ” Xi Zhiwei, you’re thinking too much. We’re not blackmailing each other. It’s a matter of mutual consent. Have you forgotten? You’re the one who took the initiative to look for me and want to have sex with me. You wanted to get pregnant so that you could trick that old lady of the PEI family into thinking that you’re pregnant with her precious grandson. That’s why she’ll support you, isn’t it?”

Xi Zhiwei’s face turned pale. you shut up!

Su Wan, who was eavesdropping at the door, was dumbfounded when she heard the man's words. He just said that he was going to find PEI Munian and tell her that Xi Zhiwei had done terrible things. She was still thinking about what shameful things Xi Zhiwei had done. She didn't expect that Wanwan would be so explosive.

She had actually taken the initiative to sleep with a man just to get pregnant?

Wait-minute, wasn't she pregnant because she was abducted and raped by PEI Munian's arch-enemy? How did she become pregnant of her own accord?

Or could it be that she wasn't pregnant at all when she was raped that time? in order to make PEI Munian take responsibility, she found another man and got herself pregnant?
