

Deeply 1042

1042 An explosive secret (2)

Su Wanwan was so shocked that she couldn't help but cover her mouth, afraid that she would accidentally make a sound and be heard by the people inside.

"Give me money and I'll shut up. Otherwise, I'll have to go to the PEI family's Crown Prince and tell him how much effort you put in to marry him and make him feel guilty and responsible. Perhaps Yingluo will be very touched. Then I'll just treat it as a good deed."

The man's lazy tone of voice pressed on Xi Zhiwei's heart, making her unable to breathe.

She knew that she couldn't suppress him. He knew too many things, so for more than a year, she had no choice but to tolerate it and give him money again and again. However, no one's money came from the wind. She couldn't support this bottomless pit for her whole life. Most importantly, he could expose her Affairs at any time. She had finally gotten to where she was today. Mrs. PEI trusted her so much and loved her so much, but Su Wanwan was forced away by Mrs. PEI. She had also divorced PEI Munian. She would be able to marry PEI Munian very soon and become the young Madam of the PEI family. Everything she had dreamed of was about to come true. She couldn't let all her efforts go to waste at this moment!

Xi Zhiwei clenched her fists and her eyes were dark. She looked at the man and asked in a deep voice, "what do you want?"

The man also knew that he could not push Xi Zhiwei too far, so he decided to stop while he was ahead. Xi Zhiwei's attitude softened, and so did his tone. Wei Wei, people say that one night as husband and wife means a hundred Days of Love. Besides, we haven't spent one night together. With our friendship, I naturally won't make things difficult for you. How about this? you give me fifty million in one go and I'll leave this place. I promise that I will never appear in front of you again. I'll also take all your secrets. I won't say a word."

As the man spoke, he even made a gesture of zipping his lips, indicating that he would keep his mouth shut tightly and not let out a single word.

50 million?

Xi Zhiwei's lips twitched. Her entire body was cold. The way she looked at the man was as if she was going to swallow him up.

Even though she was a popular celebrity who earned a lot of money, she also spent a lot. In order to maintain her bright and beautiful appearance, she had to spend a lot of money on skincare, beauty care, micro-surgery, and all kinds of other clothing. She spent money like water every day.

He had already extorted almost all of her savings. How could she still have 50 million?

Xi Zhiwei was just about to say that it was impossible, but when the words reached her mouth, she suddenly thought of something. Her eyes moved slightly and she changed her words. alright, 50 million it is then. I've given you the money, so you have to keep your promise and shut up forever!

"Don't worry, I know what to do."

but it's such a huge sum of money. I need time to prepare. How about a week? as usual, I'll give you cash. When I'm ready, I'll let you know to come and get it.

"No problem, I'll be waiting for you."

Xi Zhiwei's Black eyes narrowed and she looked at the man with a dark expression. "Are you alright now? If there's nothing else, I'll be leaving. Also, don't contact me for the next three days, I'll contact you."

The man suddenly reached out and grabbed Xi Zhiwei's wrist. He pulled her into his arms. why are you walking so fast? " You're already here, and I've spent so much money on this Presidential Suite. Don't waste it. We haven't seen each other for a long time, shouldn't we have some fun?"
