1045 An explosive secret (5)

Su Wanwan quickly spoke again, "assistant Wu, can you find out Mrs. PEI's flight information?"

"Young Madam, what do you want to do?"

I suspect that Mrs. PEI went to the U.S. To visit mu Nian. I think mu Nian is recuperating in the U.S., So I want to go and see her.

"No way, Yingluo." Assistant Wu was surprised, but after thinking about it carefully, he felt that su Wan's guess was not impossible. He had to turn the entire hospital in L city upside down and still couldn't find PEI Munian's whereabouts. Either PEI Munian really woke up and stayed in the old mansion, but the possibility of this was very low, or PEI Munian was not in L city.

"Okay, I'll check Madam's flight information immediately. It's not difficult." After a pause, assistant Wu said, "but, young Madam, if you go to America with Madam tomorrow, I don't know when you will be back. What about Xi Zhiwei?"

as for Xi Zhiwei's side, I'll leave it to you to keep an eye on her for now. I'll get brother Ziwei to help with the other things. Anyway, there's still a week's time. I'll try my best to find out where niannian is before then. It'll be best if I can contact him, and then I'll be back.

okay, I'll send you the flight information later. Young Madam, if you're going to America alone, be careful.

"Don't worry, I will."

After about an hour, su Wanwan's phone rang. She picked it up and looked at it. It was the flight information from assistant Wu. Su Wanwan immediately bought a ticket for herself on the same flight on the computer. Because Mrs. PEI was sitting in business class, she specially booked Economy Class so that they wouldn't bump into each other.

After buying the plane ticket, su Wanwan got up, walked out of the room, and went downstairs to find Shen Ziwei.

The next day, Shen Ziwei drove su Wanwan to the airport.

On the way, he told her to be careful and to be careful when she was outside alone. Su Wanwan joked, "I'm not a kid anymore. Don't worry, brother Ziwei. I have a feeling that I'll be able to see niannian this time.

"Are you sure you don't need me to go with you?"

No matter how he thought about it, he couldn't feel at ease letting su Wanwan face Mrs. PEI alone. Su Wanwan always cared about Mrs. PEI being PEI Munian's mother, but Mrs. PEI never cared about her being PEI Munian's wife.

"I want to, but you have to stay here and help me keep an eye on Xi Zhiwei. I have a feeling that she's going to do something again. She agreed to give me the money so quickly. No matter how I look at it, there's something fishy going on. If it wasn't for Nian Nian, I wouldn't even want to go to America. I would just stay here and keep an eye on her."

Shen Ziwei glanced at her helplessly. okay, don't worry. I'll look after Xi Zhiwei for you. But you have to promise me that you'll think twice before you do anything. Try not to get into a direct conflict with Mrs. PEI. You're not familiar with the people and the place in America. You'll be at a disadvantage easily.

"I know, I'll control myself and not be as stupid as before. Besides, isn't sister Yingluo in America? If I'm in trouble, she'll definitely help me."

Su Wanwan was just casually saying this, but Shen Ziwei fell silent. Only then did she realize what she had said and quickly stuck out her tongue.

To be honest, she was very curious about what happened between her sister and brother Ziwei back then. The two of them seemed to have become strangers overnight. It seemed that the reason why her sister wanted to cut off all ties with her grandfather back then was mostly because of brother Ziwei.
