Chapter 105 His concern (5)

PEI Munian's Black eyes drooped and her gaze fell on su Wanwan's hand. Her eyes narrowed and her whole body seemed to have been frozen. She couldn't move no matter what.

Once, when su Wanwan was sick, she would hold him tightly like this, as if she was afraid that he would run away. No matter how he told her that he wouldn't leave, she refused to believe him. She had always been afraid of injections and pain, but she said that as long as he was by her side, she wouldn't feel pain.

At that time, she had always been pursuing him. No matter how cold, indifferent, or disdainful he was to her, she was like a cockroach that couldn't be killed. She stuck to him tightly, and every day, she would tirelessly whisper in his ear, " PEI Munian, I like you.

PEI Munian had a good background and good looks. From a young age, she didn't lack suitors. She was stubborn and crazy, but the only one who was shameless was su Wanwan.

He didn't like su Wanwan. Naturally, it wasn't because she wasn't beautiful or her family background wasn't good. In fact, from the first time he saw her, his heart was always inexplicably touched by her.

But it was impossible for him to like su Wanwan, because before he knew su Wanwan, she had done something unforgivable to him. He was also very confident that he would not let such a thing repeat itself.

However, love was not something that could be controlled by any external factors.

When love came, there was no way to stop it.

PEI Munian noticed that his heart was getting more and more affected by su Wanwan. He was getting more and more unable to control himself from thinking about her and caring about her. He flew into a rage out of humiliation and threw a huge tantrum at su Wanwan, saying a lot of very unpleasant words.

Even today, when he closed his eyes, su Wan's expression at that time could still appear in his mind. She stood there in a daze, her eyes full of sadness and injury. Her face was pale and her body was on the verge of collapse.

He really wanted to rush up and hug her, but his rationality forcefully suppressed him. No, no, otherwise, Hanhan would only walk down his friend's old path and do it even though he knew it!

In the end, he still forced himself to leave step by step.

After that day, su Wan seemed to have disappeared into thin air. The person who couldn't wait to stick to him 24 hours a day seemed to be just his own imagination.

He should obviously be happy, but a huge sense of loss welled up in his heart. At the same time, there was also an inexplicable anger. The "like" that su Wanwan said was just like this. Perhaps she was like before from the beginning, just a game.

Disappointment and anger couldn't help but collide in his body. He was abnormally irritable and couldn't follow his heart no matter what. Finally, after three days, he couldn't hold back and pretended to inadvertently ask about su Wan's whereabouts.

Lu Sheng seemed to have been waiting for him to say that. He laughed at him. young master PEI, your patience is so low. It's only been three days, Yingluo.

PEI Munian remained silent and only looked at him from the corner of her eyes.

Lu Sheng didn't dare to keep him in suspense any longer. He immediately told him about su Wanwan's illness in full detail. But after he finished, he still reminded him, " if you want to find su Wanwan, then you have to think clearly. You should be clear about what kind of person su Wanwan is."

That's right, he knew very well what kind of person su Wanwan was. A blood-red example was placed in front of him, but when he heard that su Wanwan had disappeared these few days because she was sick, his joy suppressed everything.
