Mrs. PEI's teasing tone made ning Jingting blush, and she couldn't help but look at Mrs. PEI. Auntie, you're making fun of me again.

Mrs. PEI was all smiles.

Father ning looked at his daughter's shy expression and then at Mrs. PEI's smiling face. He smiled and said, " I've spoiled my younger daughter since she was young. It's always been other people who care about her, not her. This is the first time I've seen her care so much about someone. She even dragged her unreliable uncle back to perform surgery for Mr. PEI. She's been going to the hospital all the time these days. I almost thought that the hospital was her home.

Mrs. PEI's words had already made ning Jingting blush, and now that her father had exposed her shortcomings, her cheeks were even redder. Her eyes flickered, and she could not look at PEI Munian anymore.

She hit her father in embarrassment and anger, pretending to be angry. dad, what nonsense are you talking about? it's normal for me to care about mu Nian. If he didn't save me in the Maldives back then, I wouldn't be here now.

yes, yes, yes. You've said it 800 times. Mr. PEI is your Savior. That's why you're so concerned and anxious. I understand.

Although she said that, her father's eyes were obviously hinting at something. In the end, ning Jingting had no choice but to lower her head shyly. father, I told you not to talk nonsense.

Mr. Ning burst into laughter. I thought I didn't know how to be shy. I didn't expect that I would be shy.

As he said this, he looked at PEI Munian and said, " "I heard that Mr. PEI got engaged recently? Are you going to hold the wedding after you've recovered?"

PEI Munian's dark eyes met with father ning's. The corners of her lips curled up, and her eyes were dark and dark. No emotions could be detected.

Before he could say anything, Mrs. PEI answered first, " how can this young man's matters be confirmed so quickly? Their thoughts change every day, and the most important thing is to see what they think in the end."

PEI Munian glanced at Mrs. PEI from the corner of her eyes. Her lips twitched and she did not say anything else.

On the other hand, father ning's eyes lit up when he heard Mrs. PEI's words. They were both smart people, and some words didn't need to be said too bluntly. How could he not understand what Mrs. PEI meant?

It seemed that his daughter had a chance to get what she wanted.

that's right. Young people these days aren't like us in the past. It's all their parents 'orders and matchmakers' words. Children these days don't care what their parents think. They have to make their own decisions. However, it's better for young people to develop on their own than for us to force them. This way, they won't have to blame us as parents if they're unhappy in the future.

Mrs. PEI nodded, feeling touched. yes, that's why I've always respected my son's thoughts and believed in his judgment.

As she spoke, she glanced at ning Jingting. Ning Jingting saw her look and couldn't help but smile.

oh, by the way, mu Nian has prepared a gift for Jingting. As Mrs. PEI spoke, she turned to PEI Munian and said,"Mu Nian, didn't you take a long time to choose your present? Let's see if Jingting likes it. "

Butler Xi walked up from behind and handed the gift box to PEI Munian. PEI Munian took it and glanced at it. A dark light seemed to flash in her eyes. He handed it to ning Jingting and said in a calm voice, "Happy Birthday.
