When PEI Munian looked over, su Wanwan happened to look over. Their eyes met across the crowd. Su Wanwan's lips had not even curved up when she was shocked by the unfamiliarity in PEI Munian's eyes.

She thought that he would be happy to see her, but she didn't expect that his familiar and handsome face was expressionless. He was still calm and looked at her with a cold gaze.

There was clearly a very close distance between them, but it was as if they were separated by thousands of mountains and rivers, and she could not cross it.

Su Wanwan's brows furrowed slightly and doubts rose in the bottom of her eyes.

The man in front of her was indeed her niannian. Why was he Hanhan?

Su Wanwan's footsteps unconsciously moved forward. There were only three steps left between them. She looked at PEI Munian fixedly, not hiding the longing and anxiety in her eyes at all.

Her red lips wriggled and su Wanwan opened her mouth, wanting to say something. However, PEI Munian's gaze swept across her face, then she lowered her head and listened to ning Jingting.

He saw her but ignored her.

Ning Jingting was originally very worried that PEI Munian would walk over. Now that she saw PEI Munian so cold, she couldn't help but loosen her clenched hands because of nervousness. Her tense expression also relaxed. The corners of her lips curled up and she continued to talk to PEI Munian as if she didn't see su Wanwan.

Su Wanwan's footsteps were nailed to the spot and she was unable to move forward.

She always had a sense of courage, charging forward without a care for anything else. When she met his cold eyes, she lost all her courage.

In the past two months, she had found all sorts of reasons for him not to contact her. She always thought that it would be fine as long as they met, but even after they met, it was not as good as she had imagined.

What happened to him? why was he so cold to her? Did he really forget her because he was hurt, or did he misunderstand her because of the divorce agreement?

However, was he really not going to give her a chance to explain? Was she going to be judged guilty just like that?

mu Nian, I feel a little stuffy. Why don't we go outside the balcony? "

"Alright," he said. Ning Jingting smiled and turned around with PEI Munian, walking towards the balcony.

As ning Jingting walked, her eyes inadvertently turned back and swept to su Wan behind her. Her eyelids drooped, covering the complicated light in her eyes.

Su Wanwan stood rooted to the ground and stared at PEI Munian's back in a daze. Step by step, she gradually walked further and further away. It was clearly a familiar figure, but at this moment, it became so unfamiliar.

She wanted to chase after him, but she couldn't move her feet, as if they were filled with lead.

She didn't know how long she stood in the same place. Mrs. PEI and father ning walked into the hall. Su Wanwan's hands hanging on both sides of her body clenched hard. She bit her lower lip and still tried hard to lift her feet, turn around, and walk outside.

She walked very fast, her steps hurried, for fear that if she stopped, she would not be able to leave again.

It wasn't that she didn't feel anything every time. In the past two months, she was also mentally and physically exhausted. She had held on until this moment, but she didn't know if she would really collapse in the next second.

No matter what, he couldn't fall in front of them and let them laugh at him.

Su Wanwan walked faster and faster. In the end, she almost lifted her skirt and ran out of the banquet hall. She ran to the elevator and pressed the elevator button with force.

The elevator door opened. When su Wanwan was about to step in, she heard footsteps running behind her in a hurry.
