She was really exhausted. From the time PEI Munian got into the car accident until now, there wasn't a single day that she wasn't in fear, afraid that she would lose him forever. It wasn't easy for her to finally find him, but he only left her with a cold back view.

She had always been running in their relationship. He walked in front of her and she chased after him. It was as if she had endless energy just to catch up with him. Because she had been chasing him, she didn't have time to stop and think about what she had suffered and what kind of sadness she had felt on the way.

Loving someone wasn't really that great. It wasn't that you could really ignore your own sadness and grievances. On the contrary, the more you loved him, the more you cared about him, the more these feelings of sadness and grievances would expand.

"Brother Ziwei, I'm so sad." As su Wanwan spoke, tears suddenly fell from her eyes.

"Silly girl!"

Shen Ziwei sat on the edge of the bed and gently pulled su Wanwan into his arms. He patted her back with his big palm and gently said, "you've already said that your feelings for each other are unspoken. If you think this way, then PEI Munian will think the same way. As long as he doesn't forget you because of his injury, then he may have some plans or difficulties.

Shen Ziwei pushed su Wanwan away slightly. He took out a towel and helped her wipe the tears from the corner of her eyes. "Didn't you tell me that PEI Munian and that woman called ning Zhenzhen seemed to be very close? And Madam PEI likes her a lot."

"Yes."

Su Wanwan responded in a hoarse voice, but she didn't understand why he would mention ning Jingting out of the blue.

if that's the case, Mrs. PEI probably won't ask Xi Zhiwei to come to America. Wouldn't that hinder PEI Munian and ning Jingting's relationship?" Shen Ziwei furrowed his brows.

Su Wanwan was surprised and her teary eyes widened. brother Ziwei, you're saying that Xi Zhiwei came to America? "

yes, she came over yesterday. I couldn't get through to you on your phone, so I booked a plane ticket to come over after her. I came to the hotel to look for you as soon as I got off the plane.

Su Wanwan couldn't help but be stunned.

According to what ning Jingting had said to her at the entrance of the banquet hall, she was so confident that PEI Munian must have had a close relationship with her. At this time, how could she let Xi Zhiwei come to America?

With Xi Zhiwei's arrival, PEI Munian and ning Jingting could forget about developing well. Ning Jingting was not Xi Zhiwei's match at all. If they were not on the same level, Xi Zhiwei could easily make her collapse with a single move.

Or did Mrs. PEI ask Xi Zhiwei to come? However, that was not right. Mrs. PEI was so friendly to ning pingting at the banquet. She had even vaguely mentioned PEI Munian and Xi Zhiwei's engagement. Wasn't she clearly giving ning pingting a chance? How could he bring a rock over to smash his own foot?

The more su Wanwan thought about it, the stranger she felt. It was like a ball of entangled thread, and she couldn't figure out the head and tail.

"Brother Ziwei, do you know why Xi Zhiwei suddenly came to America?" she asked.

"She's using work as an excuse to come here."

Work? It was too much of a coincidence that there was no work in the morning and no work in the evening, and there was only work flying over at this time.

Shen Ziwei saw that su Wanwan was in a daze and couldn't help but laugh. you also think that it can't be as simple as work, right? "
