PEI Munian's dark eyes shifted from the window to Xi Zhiwei's face. She opened her thin lips and said in a calm voice, " Weiwei, if it wasn't for Jingting who persuaded her uncle to perform the operation for me, I might not have been able to wake up. So, be more tolerant of her, understand? "

Xi Zhiwei could not help but be stunned.

Why did PEI Munian's words sound like Wanwan was explaining to her? To explain that he had treated ning Jingting differently just because he wanted to thank her for her help? So he told her not to be jealous and not to care about ning Jingting?

She had never expected that PEI Munian would explain things to her one day. Did that mean that she already had a place in PEI Munian's heart?

No, in PEI Munian's heart, she had always had a place. Before this, it was su Wan who confused him. Now that su Wanwan was driven away by her, PEI Munian would naturally see her, see her good, and then accept her and like her.

Xi Zhiwei's eyes suddenly lit up. Her heart was pounding in her chest and her eyes were filled with joy. She nodded vigorously. brother mu Nian, I understand. I naturally won't be calculative with a little girl. In fact, I'm very grateful for her help.

"It's good that you can think this way." PEI Munian replied, but her tightly furrowed brows still did not relax.

Xi Zhiwei observed his expression and couldn't help but ask with concern,"Brother mu Nian, is there anything else that's bothering you?"

PEI Munian glanced at her from the corner of her eyes. Then, she walked to the sofa and sat down. He picked up the red wine on the coffee table and poured himself a glass. He swirled it gently and took a sip. After swallowing it, he spoke again. you should know that mother likes Jingting very much now, so it will cause her a lot of misunderstandings and also cause me trouble.

Although his words were not very direct, how could Xi Zhiwei not understand the meaning behind his words?

Wasn't ning Jingting pestering PEI Munian like this because she had Mrs. PEI's encouragement and support? On the other hand, PEI Munian was too embarrassed to reject her because of her help, which led to her thinking that she had a lot of hope and thus did not even care about her, her engaged fiancée.

Xi Zhiwei knew that PEI Munian had always been a gentleman and a righteous person. Ning Jingting had helped him before, and it was a matter of life and death. He could not do anything to ning Jingting, just like how he had treated her in the past.

Xi Zhiwei bit her lower lip and her eyes turned cold. brother mu Nian, don't worry. I'll let miss ning know your true feelings and make her back off.

don't worry about anything. Just focus on recovering. I'll take care of the other things.

PEI Munian's lips curled up and she looked at Xi Zhiwei playfully."How are you going to handle this?"

She did not know why, but PEI Munian's gaze at this moment made Xi Zhiwei's heart skip a beat. She quickly hid the coldness in her eyes and squeezed out a smile. She said gently, of course I'm going to be moved by her emotions and reason with her. I think that miss ning is also a well-mannered person. I'll talk to her nicely. She won't insist on being a third party and come between us, right? "

Xi Zhiwei sat down on the sofa and looked at PEI Munian with her dark eyes. She continued, so, brother mu Nian, after I'm done talking to miss ning, can we go back to Huahua and hold our wedding? "
