The huge room fell silent. Xi Zhiwei looked at PEI Munian nervously, waiting for his answer.

She had waited for so long and done so many things just to marry him and be his legitimate wife. She needed this promise to be more motivated and to clear all the obstacles in her way.

PEI Munian's lips curled into a smile. He raised his hand and patted Xi Zhiwei's shoulder. okay, we'll hold the wedding when we return to the country, " he said gently.

Xi Zhiwei's anxious heart had finally settled down. Her heart was rippling, and joy slowly filled her body. She had finally heard the words she had been waiting for the most. She had finally waited for PEI Munian to agree to marry her.

There was nothing wrong with her persistence. All her efforts could finally be rewarded!

When su Wanwan walked out, Shen Ziwei was waiting for her. When he saw her walking over, he quickly went up to her and opened his mouth to ask about the situation. However, when he saw her red eyes, he immediately swallowed the words he was about to say.

He knew what was going on without even asking.

Shen Ziwei's heart ached for her as he looked at her. He reached out and pulled her into his arms, patting the back of her hand gently. Wanwan, don't be sad. At least you've made things clear with PEI Munian and now that you know the answer, you can let it go, right? "

Su Wanwan's forehead was pressed against Shen Ziwei's chest. She closed her eyes and her voice was hoarse. brother Ziwei, let's go back to China. I don't want to stay here anymore.

okay, let's go back to China. I'll get someone to book plane tickets immediately. We'll leave this place and never see the people we don't want to see again.

Shen Ziwei first returned to the room with su Wanwan and comforted her. Then, he took out his phone and called Secretary su, asking him to book the earliest flight.

After su Wanwan recovered a little, Shen Ziwei left the resort with her and returned to the hotel they were staying at. They packed their luggage and set off for the airport.

When Xi Zhiwei returned to her room, her phone rang. She answered the call and said, "Are you sure su Wanwan went to the airport?"

Shen Ziwei went to place su Wanwan’s luggage. Su Wanwan sat in the rest area and waited. Her mobile phone suddenly rang. Su Wanwan’s Black eyes swept over the phone screen and her breathing couldn’t help but stop.

Su Wanwan quickly put down the answer button and put the phone to her ear, saying, ” “Sister?”

“Yes, where is it?”

A familiar voice entered her ears. Su Wanwan was still a little uncertain. Her sister actually took the initiative to call her. I, I’m at the airport. I’m preparing to go back.

“Oh, I’m here.” Su Wanwan roughly told him her location. Before she could say that brother Ziwei was also there, the other side had already hung up.
