After a week, a touch of surprise quickly rose in su Wanwan's eyes. so fast? "

She had thought that it would take at least half a month or a month. She did not expect that they would be back in just a week.

Su Wanwan furrowed her eyebrows and thought for a while. "Then, only PEI Munian and Xi Zhiwei will be back?"

She paused for a moment. Afraid that assistant Wu didn't understand what she meant, she quickly added, " I mean, will ning, will ning Jingting come with us? "

"This Yingluo."

Assistant Wu hesitated for a moment. After choosing her words carefully, she said in a low voice, " it should be only Madam, boss PEI, and Xi Zhiwei who are back. It seems that something bad has happened to miss ning. She won't come to L city with boss PEI.

"Bad is a thing? What's the bad news?" Su Wanwan asked.

"I'm not sure about that."

As she spoke, assistant Wu asked curiously, " "Young Madam, don't you think that your main point is a little off? Boss PEI is getting married to Xi Zhiwei. Why are you only concerned about miss ning?"

"Ah? Oh Yingluo, right."

Only then did su Wanwan react. She blinked, coughed lightly, and opened her mouth. PEI Munian and I have already divorced. Our Wanwan also made it clear when she was in the United States. All ties are broken and we're even. He's going to marry Xi Zhiwei, why should I care? "

"Young Madam Wanwan, are you serious?"

"Can it be fake? "In short, I've fought for everything that I should. Even if the results are not satisfactory, there's nothing I can do about it. Su Wanwan's voice was a little low. I don't want to say it, but, after all, we were once husband and wife. I've known Xi Zhiwei for so many years. He and Xi Zhiwei are getting engaged. I still have to give them a gift. Can you send me the time and place of their engagement banquet? "

Although assistant Wu was very surprised, hearing su Wanwan's tone, he could see that she was a little disappointed. He couldn't ask anything, so he could only say, " okay, I'll let you know when the time and place are confirmed. Young Madam, Wanwan, don't be too sad. There are plenty of other fish in the sea, don't you think? "

Su Wanwan was almost amused by assistant Wu. She took a light breath and replied, " assistant Wu, thank you for your comfort.

After hanging up the phone, su Wanwan grabbed the phone and sat on the bed in a daze for a few seconds. Then, she looked at the phone screen and her fingers quickly pressed a call.

After a few rings, the other party picked up. Hello.

Su Wanwan said in a deep voice, " in the next few days, you must find that person's whereabouts. Once he appears, inform me immediately. By the way, you must keep a close eye on the airport.

"Alright," he said.

After hanging up the phone again, su Wanwan threw the phone on the bedside table. She lay down and looked at the ceiling with her big eyes, her long curly eyelashes blinking.

Since Xi Zhiwei had told the man that night that she would use cash to make the deal, then the man would have to appear at least once. As long as he appeared, she would definitely catch him!

Didn't Xi Zhiwei tell her to see who would have the last laugh? She would definitely not be the one who had the last laugh!
