Chapter 109 His concern (9)

PEI Munian's footsteps seemed to be nailed to the ground by something and she could not move.

Did su Wanwan feel lost and sad because of his words? What was she disappointed about? Disappointed that he said he was forced to take care of her for the whole night? Would she be disappointed because of his words?

PEI Munian was not sure and did not dare to think too much about it. After all, she was too good at acting. He did not know if her every expression was sincere or if she had some other purpose to deceive him.

Su Wanwan lowered her eyes and was silent for a few seconds. Then, she squeezed out a smile. no matter what, I still have to thank you for taking care of me.

PEI Munian was inexplicably annoyed. He had always been very accurate in judging people. Only su Wanwan, he simply couldn't see through what she was thinking in her heart. The more he cared, the more he would lose his judgment.

Su Wanwan bit her lower lip with her pearly white teeth. She hesitated for a moment but still spoke in a low voice, "I, I'm very happy.

If it was in the past, she would never say such words and reveal even a little of her thoughts in front of him. However, perhaps she was sick and could not control her feelings, or perhaps the moment she opened her eyes and saw PEI Munian guarding by her bed, time seemed to have turned back. She seemed to see the PEI Munian from three years ago. At that time, he also guarded her like this.

He had come back to see her and take care of her. Even if he did not take care of her out of concern, she was still very happy.

Happy

These two words slowly entered PEI Munian's ears. PEI Munian's Black eyes suddenly looked at su Wanwan, and her breathing was a little uneven.

Does su Wanwan feel happy because of his care?

just like before. When I'm sick, you'll take care of me and care about me.

Su Wanwan's voice was very light, almost like a whisper, but PEI Munian could still hear every word she said clearly. It was as if a small stone had suddenly been thrown into the lake of his heart, setting off waves of ripples.

She was also reminiscing about the past. Did she also hope that Yingluo could return to the past?

PEI Munian opened her mouth and wanted to ask her if he could believe everything she said now. Would it be fatal arsenic after the sweet talk?

PEI Munian stood rooted to the ground and remained silent for a long time. In the end, she could not ask.

Sometimes, he would rather hear the lies from her mouth than to pursue the truth behind the lies.

However, before he walked out of the room, he still couldn't control his mouth and said, " have a good rest.

Su Wanwan was dumbfounded. She couldn't believe her ears. She thought that PEI Munian would mock her for acting again after Yueyue said those words. She didn't expect that Yueyue would actually let her rest well?

He still cared about her, didn't he?

After PEI Munian finished speaking, a trace of embarrassment flashed across her eyes unconsciously. She stopped in her tracks and added, " in case I spread the disease to others!

With that, PEI Munian strode away, but her back view looked like she was fleeing.

Although PEI Munian still didn't say anything nice, su Wanwan didn't know why, but she could still feel his undetectable concern from his words. Perhaps it was just her own wishful thinking, but su Wan's heart couldn't help but float with a trace of sweetness, the corners of her lips gently raised.

Not long after PEI Munian left, Wu Ju came in with a bowl of porridge.
