1090 Retribution will come (12)

Mrs. PEI did not hold back at all. She used all her strength and Xi Zhiwei staggered from the slap. She fell to the ground in a sorry state. Butler Xi cried out in shock and rushed over to help her up. Weiwei, are you alright? ”

Butler Xi supported Xi Zhiwei and looked at Mrs. PEI pitifully. His voice was choked with sobs as he said, ” Madam, you watched Wei Wei grow up. You should know her character the best. She is the kindest person, how could she do such a thing? back then, the child was indeed related to young master, so she cared so much. She would rather be accused of having a child out of wedlock than to abort the child. But in the end, she lost the child to save you. The doctor said that it would be hard for her to get pregnant in the future. Have you forgotten all these?”

“The evidence is irrefutable, do you still want to lie with your eyes open?” Mrs. PEI looked at Xi Zhiwei’s pale face with great heartache. She clenched her fist and placed it on her chest. I’ve doted on you so much, but you only want to use me!

If she didn’t care about Xi Zhiwei, she wouldn’t be so angry now. It was because she cared too much that she was heartbroken.

He had raised an ungrateful Wolf with his own hands!

Xi Zhiwei fell onto the cold floor. The cold invaded her and her whole body could not help but feel cold.

She knew that she had lost all her power. No matter what she said, no one would believe her, so she couldn’t continue to be tough. She had to show weakness.

It was just that in these two videos, her words were a little inappropriate and her methods were a little despicable, but they were not fatal. There was still room for her to turn things around.

At this moment, as long as she was alive, there would be hope.

Xi Zhiwei blinked and her tears fell out of her eyes. They were like pearls from a broken string, falling drop by drop.

Auntie, I have a clear conscience about the child. I didn’t do it. As for the incident in the United States, I was really muddled. I misunderstood the relationship between brother mu Nian and miss ning. However, as brother mu Nian’s fiancée, I was unhappy and jealous when I saw them being so close. It’s understandable that I wanted to separate them, isn’t it? ”

“If it’s wrong to love brother mu Nian, then I have nothing to say.”

Xi Zhiwei’s pitiful posture and trembling body made people feel a little pity for her. After all-the first video showed her face, so it could have been-false accusation. In the second video, although she had drugged ning Jingting, the drug did not really make ning Jingting sleep with-man. It only made her look bad. It was not considered as a harmful intention. If one had to say, it could be said to be a prank.

Xi Zhiwei bit her lower lip with her pearly white teeth and her eyes shot fiercely at su Wan. She said word by word, ” su Wan, even if you hate me, you shouldn’t take out such a fake video to frame me,

right? How important is a woman's reputation? how can you be so vicious and do such a thing? I'm not afraid to confront you, nor am I afraid to confront my former manager in your video to see if I've ever done such a dirty thing with him!"

Her words pushed all the spearheads to su Wanwan.

Even if she couldn't get brother mu Nian, she, su Wanwan, couldn't just sit back and reap the benefits.

It was all because of her. It was because of her that brother mu Nian treated her like this. It was because of her that she ended up like this. If she didn't have a good life, she, su Wanwan, wouldn't have a good life either!
