Deeply 1095

1095 I'm the one who doesn't want him (1)

no, I didn't. I didn't do it. Su Wanwan deliberately framed me. If you want to arrest someone, arrest her. Why arrest me? " Xi Zhiwei took a few steps back and tried to turn around and escape. However, PEI Munian was quick to react and grabbed her, pushing her towards the police. The police immediately stepped forward, grabbed Xi Zhiwei, and twisted her hands behind her.

Xi Zhiwei cried out in pain and looked at PEI Munian with teary eyes. She said pitifully,"Brother mu Nian, I really didn't do it. Please save me, for the sake of my brother and for the sake of me saving you in the past."

PEI Munian's lips twitched and her eyes were extremely cold. I wanted to give you a chance, but you actually had the intention to kill Wanwan. If the person driving that day was Wanwan, she might have already been killed by you. I won't let you off again. Even if ah Qian is still alive, he won't blame me!

"Brother Munian, Wanwan." Xi Zhiwei knew that there was no hope in begging him, so she turned to Mrs. PEI. She did not know where she found the strength, but she broke free from the police and ran straight to Mrs. PEI. She grabbed Mrs. PEI's arm with both hands and cried, " Auntie, Auntie, please save me. You watched me grow up. Don't you see me as half a daughter? " I didn't do it on purpose. Save me, I don't want to go to jail. Save me, Yingluo."

Mrs. PEI lowered her eyes and looked at Xi Zhiwei's crying face. She laughed softly and her hand touched her cheek, very, very slowly.

A light flashed in Xi Zhiwei's eyes and she called out emotionally, " aunty Zhenzhen.

However, in the next second, Mrs. PEI's eyes suddenly turned fierce and she pushed her away without mercy. you still have the face to plead with me! "It's fine if you lied to me when you were pregnant with a bastard child, but you had no intention of saving me during the car accident. You just wanted to abort the bastard child on purpose and even asked me for a favor, asking me to support you in marrying mu Nian unconditionally. I must have been blind to have misjudged you for so many years and raised an ungrateful Wolf!"

Xi Zhiwei fell to the ground in a sorry state.

However, no one sympathized with her anymore. Her former manager had listed out all the bad things she had done. She had taken the initiative to sleep with him, forced him to marry her in order to get pregnant, used the child to gain Mrs. PEI's sympathy, deliberately caused a car accident, and after losing the child, she had pretended to be depressed to make Mrs. PEI feel guilty. Even the depression she suffered later was not as serious as she appeared to be. Everything was a pretense.

Not only that, but the scariest thing was that she had caused two car accidents and intentionally killed people!

If not for PEI Munian and her former manager's luck, she would have already successfully killed two people. This point was already despised by everyone.

"Mom, save me. Mom, Huahua." Xi Zhiwei did not care anymore. She would capture whoever she could.

But Butler Xi probably did not believe that Xi Zhiwei would do something like murder. He stood there in a daze, unable to respond to Xi Zhiwei's cry for help.

The police took the noisy Xi Zhiwei away forcefully. As her cries gradually faded away, the large banquet hall was strangely quiet. Perhaps no one had yet to recover from the sudden changes in front of them until Madam PEI collapsed.
