

Deeply 1098

1098 I'm the one who doesn't want him (4)

Mrs. PEI was certain that su Wanwan wouldn't dare to say those words in front of PEI Munian. She didn't expect her to say it so bluntly and couldn't help but be stunned.

Father PEI and ning Jingting were also shocked by su Wanwan's words.

Everyone could see PEI Munian's good intentions for everything that happened tonight. She set up such a big trap, quietly collected evidence of Xi Zhiwei's crimes, and also let su Wan stay away from all these conspiracies, so that she could watch the Tigers fight from a distance, and then sit back and reap the benefits.

He had cleared all the obstacles in their path. Didn't he just want to be with her properly? Why did she suddenly say that she didn't want PEI Munian at this time?

PEI Munian's footsteps towards su Wanwan paused. Her eyebrows furrowed even more and her deep eyes focused on su Wanwan's face, the light in the bottom of her eyes dim and unclear.

As her words fell, su Wanwan turned her face slightly and glanced at Mrs. PEI who was lying on the bed behind her from the corner of her eyes. "Now that we've made things clear, can I leave?"

Su Wanwan lifted her feet and walked towards the door, directly passing by PEI Munian. However, the next second, PEI Munian's hand directly grabbed su Wanwan's wrist.

"Let go."

"Let's talk."

The two people's voices sounded almost at the same time.

PEI Munian's grip on su Wanwan's wrist tightened. He pulled her and turned around to walk out, but Mrs. PEI scolded sternly, "Munian, what are you doing? Didn't expect su Wanwan's words? You don't need a woman like her. What do you want to talk to her about?"

PEI Munian continued to walk out as if she had not heard Mrs. PEI's words.

Mrs. PEI was furious, but she knew that it was useless to be angry at this moment. Her eyes moved, and her expression suddenly became pained. She raised her hand and covered her heart, as if she could not breathe.

Father PEI and ning Jingting were both shocked and walked in worriedly.

"Lihua, are you alright?" Mr. PEI walked up and sat by the bed to support Mrs. PEI.

Ning Jingting stood by the bed and asked with concern, "Auntie, don't be so agitated. Take care of yourself."

Mrs. PEI did not speak. She only clutched her chest and stared at PEI Munian's back. Her breathing became heavier and her face became paler.

Seeing this, father PEI's eyes darkened. He turned to PEI Munian and said in a deep voice, "Mu Nian, what are you still standing there for? Quickly come and see your mother!"

Before PEI Munian could react, su Wanwan had already pried his hand away. I don't think we have anything to talk about.

After saying this, su Wanwan was about to step forward again, but PEI Munian's hand quickly grabbed her wrist again. give me one minute.

He forcefully pulled her along and walked back to the bedside. His dark eyes fell on Mrs. PEI's face, and his voice was low and hoarse as he slowly opened his mouth. mom, even now, you still can't accept Wanwan? You blame Wanwan for the car accident, but it wasn't her fault at all. It was Xi Zhiwei who sabotaged it. "

"So what? Didn't you suffer on her behalf? I was lucky this time, but who knows what will happen next time?"

Mrs. PEI retorted, "in any case, no matter what, I will not accept her as my daughter-in-law!

"Alright," he said.

PEI Munian nodded. She pursed her thin lips and spoke again, pausing after every word. since you can't accept Wanwan no matter what, I can only give up on you, mother.
