

## Deeply 1099

1099 I'm the one who doesn't want him (5)

".....?"

Mrs. PEI looked at PEI Munian in shock. She had only pretended to be in pain, but now she really felt out of breath.

Father PEI's expression changed completely. He said sternly, "Mu Nian, do you know what you're saying?"

I've always been very clear about what I'm saying and what I want. It's you and mother who are not clear, so I can only tell you clearly that no matter whether su Wanwan wants me or not, I want her and it must be her.

"Mother, you should rest. We'll be leaving first."

As soon as she finished speaking, PEI Munian pulled su Wanwan and strode out of the room, heading outside.

Su Wanwan dazedly let him pull her along for a while before she reacted. Her hand exerted some force and pulled back from PEI Munian's hand.

PEI Munian turned to look at her. Wanwan Wanwan.

"I don't think we have anything to talk about." Su Wanwan spoke directly, turned around, and looked straight at PEI Munian with her black eyes. She said word by word, "Don't think that I came to ruin your engagement party because I still want to do something to you. I'm only here to seek justice for myself. Now that Xi Zhiwei has been brought to justice, I've done what I wanted to do. There's nothing between us anymore."

Wanwan, even if you're angry, don't say such things, okay? " PEI Munian raised her hand and wanted to touch su Wanwan's cheek, but she took a step back and avoided his hand.

Su Wanwan pulled the corners of her lips and put on a fake smile. I'm not angry, and I'm not saying things out of anger. I just don't want you anymore.

"So, you don't love me anymore?"

Su Wanwan stood there and stared at PEI Munian for a few seconds. Suddenly, she took a step forward, tiptoed, wrapped her arms around PEI Munian's neck, and kissed her red lips.

PEI Munian was stunned. He didn't expect her to make such a move. A few seconds later, the corners of his lips rose. He was about to reach out and hug su Wanwan, turning from passive to active, when su Wanwan pushed him away.

PEI Munian was stunned again and raised her eyebrows.

Su Wanwan's fingertips touched her red lips and continued to smile: "Do you remember? This was the answer you gave me in the US. Now, I'm returning it to you."

In the United States, she stopped him at the door of the room and asked him for an answer, but he didn't say anything and only kissed her.

She knew that he had his own plans and plans. He still loved her, but Yueyue was unwilling to tell her what he was doing.

Of course, at the dinner tonight, she finally knew everything. She knew that he didn't want her to be in danger. She knew that he wanted to protect her and let her be well.

However, what he did not know was that she did not like this.

She didn't like being isolated by him, didn't like being unable to walk side by side with him, didn't like not knowing anything, only being foolishly protected by her, and even more, didn't like that she couldn't be by his side when he was hurt and sad.

"Wanwan, Wanwan, Wanwan."

PEI Munian, I still love you, but I'm tired. When I found you, you refused to give me a definite answer, so I decided to give up on you.

"Haven't you always excluded me? Now you can really rule me out. Let's stop here!"

sister Wanwan, how can you say such things to mu Nian? "

Behind him, a scolding was heard.
