

Deeply 1100

1100 I'm the one who doesn't want him (6)

Ning Jingting quickly walked up from behind, her eyes filled with reproach and dissatisfaction. Sister Wanwan, Munian has done so much for you so that she can be with you better. It's fine if you're not touched at all, but why are you saying such things? Do you know that when Mu Nian just woke up, she was covered in injuries and couldn't move at all? but she still forced herself to get up to look for you, worried that something had happened to you? If he wasn't afraid that he would be injured and unable to protect you, he wouldn't have done this!"

"Is that so?"

Su Wanwan turned to Ning Jingting and curled her lips. but, this is between me and him. Miss Ning, why are you so excited? "

"Weren't you the one who told me to stay away from PEI Munian? Now that I've done this, you're here to seek justice for him?"

".....?" Ning Jingting could not help but stammer. Her heart skipped a beat, and a look of panic flashed in her eyes.

She subconsciously glanced at PEI Munian. There was no expression on his handsome face, and she could not tell what he was feeling, which made her panic even more.

Su Wanwan looked at PEI Munian again. Her lips wriggled and she said in a low voice, " PEI Munian, it's not that I haven't found an excuse for you, it's not that I haven't found an excuse for you. I also tried to understand you, but I'm really tired.

No one knew how she had spent the past two months in suffering. She had nightmares every night and thought about how he was doing. Was he alive or dead? was he still sleeping after he woke up? if he was awake, why didn't he contact her? had he forgotten about her? In the end, he still believed Mrs. PEI's words and misunderstood her.

Every day, she was like a taut string, unable to relax at all.

Until she finally found him in the United States, until she finally saw him at Ning Jingting's birthday party.

He had not forgotten her, but he had ignored her.

Ever since that banquet, this was the first time she felt very, very tired. She still loved PEI Munian very much, but she had lost the strength to support her and continue walking.

She didn't want him to push her far away again when she woke up one day for some reason. He would face it alone and pull her back when he was done.

He did love her and protect her, but he would never understand how anxious and scared she was when she was excluded.

"I've already said what I wanted to say."

Su Wanwan pursed her red lips and the hands hanging by her sides clenched slightly. After taking a deep breath, she looked at PEI Munian and continued, "I'm leaving, don't chase after me."

Su Wanwan turned around and strode away.

PEI Munian stood there, her black eyes falling on her gradually disappearing figure. She didn't chase after her until su Wanwan was almost out of sight. Ning Jingting glanced sideways at PEI Munian, hesitated for a few seconds, and said, "Mu Nian, aren't you going to chase after her?"

Su Wanwan's figure slowly disappeared into the dark screen. PEI Munian retracted her gaze and turned to ning Jingting. Her black eyes were deep and bottomless, making people's hearts a little uneasy.

Ning Jingting thought of what su Wanwan had said just now and lowered her eyes to avoid PEI Munian's gaze. She bit her lower lip hard and quickly explained herself, "Munian, at that time, I was only afraid that sister Wanwan would ruin your plan, so I said those things to her. I ... I didn't mean to hurt her, Wanwan."
