Chapter 113 Stay away from my husband (3)

Su Wanwan's footsteps couldn't help but stop.

Xi Zhiwei naturally also saw su Wan. She was a little surprised, then her black eyes unscrupulously scanned her up and down, and her eyes gradually became mocking. su Wan, didn't you say that you dumped brother mu Nian? why are you dressed up so gorgeously now? are you rushing to get close to me? "

Ever since PEI Munian had coldly warned her because of su Wanwan, he had not paid much attention to her. She had wanted to make up with him many times, but he did not answer her calls or reply to her text messages. Even when she came to look for him, she was always rejected at the door. Today, she had waited for almost five or six hours. Assistant Wu kept using the excuse that boss PEI was in a meeting to stall her, making her so angry that she gritted her teeth.

If it was in the past, she would have barged in without a second word. But now, no matter how angry Qianqian was, she could only hold it in. Otherwise, if she were to anger PEI Munian again, she might really be blacklisted by him.

In the end, it was all su Wan's fault. Every time she was involved, PEI Munian seemed to have changed into a different person!

She had a stomach full of anger and had nowhere to vent it when su Wanwan appeared. Of course, Xi Zhiwei would not let go of such a good opportunity to vent.

As Xi Zhiwei spoke, she laughed coldly. but that's true. Your su enterprise is at the end of the road. You'll definitely cling onto brother mu Nian. For the sake of money, you can do anything you want!

Xi Zhiwei's words had always been unpleasant to hear, but su Wanwan-who had experienced PEI Munian's venomous tongue-only felt that these words were neither painful nor itchy. Her expression did not change at all. She even curved her lips and said lightly, " PEI Munian and I are already married. I am his legitimate wife. It is only natural for-wife to come to find her husband-On the other hand-you are dressed up so gorgeously to look for someone else's husband. You are in such-hurry to get close to him. Who is more despicable? "

Su Wanwan returned Xi Zhiwei's words to her.

Xi Zhiwei's white cheeks instantly turned red and her hands suddenly clenched. you!

also, PEI Munian is my husband now. It's only natural that I can't let go of him. That's called the fun of a married couple. As for you, I advise you to stay away from my husband. Otherwise, it'll be embarrassing if you're known as the third party.

at that time, the housekeeper's daughter won't be the only one feeling inferior. You'll also be accused of being a mistress!

"Su Wanwan, you're teasing me."

Xi Zhiwei was so angry with su Wanwan that her chest heaved up and down violently. She glared at su Wanwan, as if she wanted to tear her apart. She gritted her teeth and said, " su Wanwan, I think you've been so proud of yourself recently that you've forgotten your form? Could it be that you've forgotten everything that happened back then? Do you think that brother mu Nian will love you after marrying you? He will never love you!"

Su Wanwan's eyes couldn't help but sink slightly.

She did not care how Xi Zhiwei attacked her, but this matter was her fatal weakness.

However, even if it was her weakness, she could not let Xi Zhiwei see it. She was afraid of her grandfather, afraid of PEI Munian, but she was not afraid of Xi Zhiwei!

Su Wanwan raised her chin and smiled confidently and arrogantly. that's not for sure. People change. If I can make PEI Munian marry me, I can naturally make PEI Munian fall in love with me.

"Shameless!"

Su Wanwan nodded without hesitation. it seems that you're quite self-aware!
