Chapter 118 Stay away from my husband (8)

Su Wanwan secretly cheered herself on. She raised her eyes, looked at PEI Munian, and said in a soft voice, "a few days ago, when I was sick, you took care of me for a night. Hanhan, I was the one who held you back and took care of me, so I want to thank you. Can Hanhan treat you to a meal?"

It turned out that she had called to treat him to a meal, and not because of the SU group or money.

PEI Munian's long eyelashes blinked and the corners of his lips curled up slightly. He coughed lightly and said pretentiously, "then I'd like to see my schedule.

He got up from the sofa and walked to his desk. He casually flipped through a document on the table, which was filled with his schedule. As if he didn't see it, he said calmly, "I have an hour of free time from seven to eight.

Su Wanwan looked at the clock on the wall. It was already 6:50. There were only ten minutes left until 7:00. She quickly said, "then can you give me this one hour?"

PEI Munian's fingers tapped on the table as she muttered to herself.

Su Wanwan opened her eyes wide and looked at PEI Munian, hoping that he would agree.

Time passed by. After about a minute, PEI Munian felt that she was more or less reserved. She then pretended to be reluctant. alright.

Su Wanwan's eyes brightened and her fingers secretly made a yay gesture.

PEI Munian took the hanging coat and was about to put it on. Su Wanwan quickly got up and helped him put on his coat. A trace of sweetness appeared in PEI Munian's eyes, but it disappeared in a flash. Then, he picked up his wallet and car keys and said to su Wanwan, "Let's go," he said.

Su Wan nodded her head. When she walked to his side, her black eyes turned. Then she slowly raised her hand and tried to hold PEI Munian's arm.

When she held his hand, PEI Munian was stunned for a moment, and her black eyes suddenly fell on her hand.

His gaze was a bit scorching. Su Wan's hand trembled slightly and couldn't help but want to withdraw it, but she gritted her teeth and braced herself to persist. She even squeezed out a smile and said as softly as possible: "You, you don't mind, do you?"

Her fair and tender little hand held his gently. There was not much strength, but PEI Munian suddenly felt as if she was carrying a heavy bag on her back. However, he did not hate this kind of bag at all.

He had wanted to carry this bag since three years ago.

PEI Munian's lips curled up. Her voice was low and mesmerizing. up to you.

Su Wanwan smiled happily.

PEI Munian and su Wanwan walked out of the office and assistant Wu happened to walk towards them. He was just about to inform PEI Munian that he was going to attend a meeting. When he said that he would, PEI Munian gave him a sidelong glance and assistant Wu immediately shut up.

Alright, in order to accompany young Madam, meetings and whatnot were all fleeting clouds!

—

Because there was only an hour's time, su Wanwan couldn't say that she was going too far away, so she directly found a restaurant near PEI family group.

When they were ordering, su Wanwan ordered all the dishes that PEI Munian liked according to her memory from three years ago.

when the waiter served the dishes one by one, pei munian's eyes were slightly dazed as she looked at the dishes.

when su wanwan pursued him back then, wasn't it just to conquer him, sleep with him, and prove her charm? How could she still remember his taste?

"You ... Always remembered?"

Although it was a sentence without a head or tail, su Wanwan knew what PEI Munian was talking about.

His voice was still as calm as ever, but su Wanwan seemed to be able to hear the trembling in his voice. Did he expect her to remember?
