Chapter 121 A brief moment of sweetness III

PEI Munian was actually angry at a fish.

Su Wanwan laughed, her eyebrows curved and her eyes were full of sweetness.

PEI Munian still had work to do. Su Wanwan didn't want to waste his time and wanted to take a taxi back by herself. However, PEI Munian started the car and drove in the direction of the villa.

Su Wanwan lowered the window and a slight cool wind blew in, making people's hearts feel quite comfortable.

Su Wanwan couldn't help but secretly glance at PEI Munian. The neon lights outside the window shone on his face and his facial features became more handsome and profound. Su Wanwan's heart couldn't help but beat wildly.

After they got married, she had always been afraid of being alone with him. Every time they were alone, she was afraid that she would do something wrong and make him angry, not to mention being able to see him up close.

Compared to three years ago, PEI Munian had become more mature, more reserved, and more handsome.

He exuded the charm of a mature man from head to toe. Even though he was just casually driving, he could still stir up people's hearts.

When she fell in love with him at first sight, it was completely within reason.

The so-called love at first sight, wasn't it just lust at first sight? She's just interested in him, Yingluo.

Speaking of this, su Wanwan couldn't help but think of the scene in the private room just now. They almost fired their guns.

As she thought about it, su Wanwan felt her blood boiling in her body and couldn't be suppressed.

At the red light, PEI Munian stopped the car and glanced at su Wanwan with his black eyes. He saw that she was thinking about something and her cheeks were red. He couldn't help but reach out and touch su Wanwan's face with the back of his hand.

Sensing the burning temperature on her face, PEI Munian furrowed her brows. why is it so hot? Do you have a fever again?"

Fever?

Su Wanwan was shocked by PEI Munian's words and quickly shook her head. no, no, I don't have a fever!

"No? Then why is your face so red and hot?" PEI Munian looked at her suspiciously.

Her face was red because she thought of something inappropriate for children, but how could she let him know? su Wanwan blinked guiltily, her eyes wavered and she stammered, " "That's because I'm hot, Yingluo. Yes, it's too hot today. It's too hot, Yingluo."

As su Wanwan spoke, she raised her hands and kept fanning her cheeks, blocking PEI Munian's gaze that seemed to be able to see through people's hearts.

PEI Munian sized her up for a while. are you really alright? "

"I'm fine!" Su Wanwan shook her head with certainty.

PEI Munian seemed to believe her words and did not say anything more. The green light turned on and the car continued to move forward.

Su Wanwan secretly heaved a sigh of relief.

When the car arrived at the villa, su Wanwan unbuckled her seat belt and was about to get out of the car when something flashed in her mind. She paused and glanced at PEI Munian. After thinking for a while, she seemed to have put everything on the line and said gently, " PEI, PEI Munian, don't work too late. Pay attention to rest. If you're done, Xuxu should go home early. I, I'll wait for you at home.

Su Wanwan tried her best to finish speaking in one breath. Then, without panting, she suddenly pounced on PEI Munian and kissed him on the cheek. After the kiss, she quickly pushed open the car door, got out of the car, and ran into the house.

His actions were swift and clean, and he did not give PEI Munian any time to react.
