Chapter 125 A brief moment of sweetness 7

Su Zhenhua glanced at su Wanwan, as if he knew what she was thinking. He said disapprovingly, " you are indeed married to PEI Munian. This is the truth. I'm just telling the truth.

"But Yingluo."

Su Wanwan still wanted to say something, but she was shocked by Su Zhenhua's sharp eyes. She moved her lips, but the words in her throat couldn't come out. After all, there were outsiders present. She had to take grandpa's face into consideration and couldn't embarrass him.

Su Zhenhua nodded in satisfaction and then said to du Mingwei, " our su family and the PEI family are already connected by marriage. The PEI family's Crown Prince is my grandson-in-law, so our family and the PEI family will only have closer cooperation in the future. You can rest assured about this.

It was already beyond du Mingwei's expectation that the SU family could get the PEI family's investment, but he didn't expect that the SU family would be connected to the PEI family by marriage. This was definitely a great thing. The PEI family was a real rich family!

However, he had sent someone to inquire about the SU family some time ago, but he had not heard about this.

Du Mingwei wasn't stupid. He wouldn't believe Su Zhenhua just because of a few words. He tapped his fingers on the table and smiled politely. President su, it's not that I don't trust you, but why is there no news about the marriage of the PEI family's Crown Prince? "

Su Zhenhua had already expected him to say that. His expression did not change at all as he replied unhurriedly, " my granddaughter has already registered her marriage with PEI Munian. It's just that everyone was busy a while ago, so they didn't hold a wedding for the time being. However, it'll be announced soon.

Du Mingwei's smile faded a little. Mr. Su, what time do you mean by 'after a while'? A few days, a few months, or a few years? Besides, you also know that I don't know if I should believe you anymore, don't you think so?"

Du Mingwei's words were polite on the surface, but in fact, they were very sharp. It was like a direct slap to Su Zhenhua's face. Su Zhenhua couldn't hold it in anymore.

He had been in the business world for so many years and had always been respected. Whoever saw him would have to give him some face. However, ever since the SU family fell from grace, it seemed that no matter who it was, they could give him any attitude they wanted.

In the past, du Mingwei wasn't even qualified to carry his shoes, but now, he dared to disrespect him!

Su Zhenhua's eyes darkened, and his lips were tightly pursed. He wanted to flare up, but he could only suppress it. He took a deep breath and smiled."I know that you have your concerns, President du. The wedding date will indeed take some time to be announced, but if you want evidence, you don't have to wait until then. How about this, my granddaughter is right here. I'll get her to give PEI Munian a call, what do you think?"

Du Mingwei raised his eyebrows. that's fine.

If su Wanwan called PEI Munian directly and proved that they were husband and wife, he would naturally have nothing to say.

Su Zhenhua looked at su Wanwan again and directly ordered, " Wanwan, give mu Nian a call.

Su Wanwan looked at Su Zhenhua in shock, her whole person stunned.

It was one thing for her grandfather to reveal that she was married to PEI Munian without discussing it with her, but now he even wanted her to call PEI Munian to confirm her identity?
