Chapter 128 A brief moment of sweetness (10)

Su Zhenhua and du Mingwei had a good conversation. Du Mingwei kept flattering Su Zhenhua. Su Zhenhua gradually got carried away. Because he had a few more drinks, the words he said were a little out of line.

Because of that phone call, su Wanwan's mood had been quite depressed. She also drank a few glasses of wine and her head hurt a little. When she heard Grandpa say these nonsense, su Wanwan's heart became more and more uncomfortable.

She couldn't lose her temper at her grandfather, nor could she stop him. The only thing she could say was that out of sight, out of mind. She slowly stood up and said to Su Zhenhua and du Mingwei, "Grandpa, uncle du, I'm going to the washroom."

After saying that, she bowed slightly and turned to leave the room.

Su Wanwan walked into the bathroom, turned on the tap, took cold water with both hands and splashed it directly on her face. The coolness hit her and the drunkenness dissipated a little, but the depression at the bottom of her heart couldn't be dispersed.

PEI Munian's words involuntarily lingered in her ears. They were so gentle and carried a sense of cherishing love, just like before.

He seemed to have started to reveal his heart to her bit by bit, but she used him to tease him.

Su Wanwan closed her eyes, her beautiful eyebrows tightly knitted, almost raising a small eyebrow.

Su Wanwan put her hands on the sink and looked at herself in the mirror. She struggled and hesitated, then her hand unconsciously took her handbag, opened it, and took out her mobile phone.

Her fingers caressed her phone as she thought, why don't I make a call to PEI Munian now and confess everything?

Perhaps he wouldn't be angry if she told him what happened tonight and apologized to him.

After all, leniency to those who confess, severity to those who resist, right?

Su Wanwan pursed her lips and pressed the HOME button with her finger. She unlocked the phone and clicked on the recent call. She found PEI Munian's number and was about to click on it.

However, at the last second, she hesitated.

She knew very well how much PEI Munian hated it when others schemed against him and used him. Now that their relationship had only improved a little, she told him all this. She could almost imagine his reaction.

Perhaps he wouldn't be angry, but the probability of him being angry was 99%!

No, she couldn't make this call. She didn't want the hard-won relationship to go to waste.

Su Wanwan gripped her phone hard but still put it back in her bag.

Anyway, PEI Munian would not find out about what happened tonight. She would just treat it as the last time. She would never use him again in the future, never!

—

When the car arrived at the entrance of the restaurant, PEI Munian pushed the car door open and got out.

He lifted his black eyes slightly, the light at the bottom of his eyes flashed and was dyed with a smile. He couldn't help but imagine what kind of reaction su Wanwan would have when she saw him later.

Would he be happy?

PEI Munian chuckled and said to the driver, " "You don't need to follow me in, just wait here."

"Alright, boss PEI."

PEI Munian lifted her feet and slowly walked in.

He walked to the front desk and asked su Wanwan about the private room she had booked. Then, under the guidance of the waiter, he walked towards the private room.

The door of the private room was not closed tightly and was knocked lightly. The waiter was about to knock on the door for PEI Munian, but he raised his hand to stop her and motioned for him to do it himself.

After the waiter left, PEI Munian raised her hand and pushed the door open, wanting to give su Wanwan a surprise. However, he only pushed the door open a little when he heard Su Zhenhua's voice from inside.
