When assistant Wu heard the big BOSS's words, she knew that he was in an extremely bad mood at the moment. He didn't want to talk to her. If he knew what was good for him, he wouldn't put himself in the line of fire at this time.

For a moment, he wanted to back off, but when he thought about Big BOSS's happiness, he held on!

Assistant Wu carefully considered her words. She peeked at the big BOSS's expression and said tentatively, " boss PEI, Wanwan was on the phone with young Madam just now.

It was as if PEI Munian did not hear him. Her expression did not change, and even her eyes did not waver.

Assistant Wu gritted her teeth and continued, " young Madam wants me to Sue you. She wants you to not only focus on work, but to eat regularly and pay attention to your health.

He lowered his eyes and said respectfully, " Boss PEI, I'll be going out to work then.

With that, he turned around and walked towards the door. After a few steps, PEI Munian's voice suddenly rang out again. wait.

Assistant Wu's eyes brightened. She thought that there was a turning point and immediately stopped in her tracks. She turned around and asked, " boss PEI, do you have any orders? "

PEI Munian curled her lips coldly and was silent for a few seconds. Her thin lips opened slightly and she said word by word, " in the future, don't pick up su Wanwan's calls. Also, tell the front desk that no one is allowed to see anyone without an appointment!

Whoever

Boss, why don't you just name her and refuse to see young Madam?

Su Wanwan simply asked assistant Wu for PEI Munian's new phone number. Assistant Wu stammered for a long time and only said one sentence. Boss PEI was very busy these days and didn't have time to get a new phone number.

Su Wanwan called the villa again and aunt Wu said that PEI Munian had not returned.
