Chapter 135 I want to live a good life with you v

Su Wanwan's flight was at nine in the morning and she arrived in L city at noon.

Su Wanwan pushed her luggage and walked out of the airport with Su Zhenhua. Secretary su was already waiting at the door. When he saw them, he came forward. Chairman, manager su, you've had a hard journey.

Secretary su took the luggage and put it away, then opened the rear door.

Su Zhenhua turned his head to look at su Wanwan and said, " "Get in the car, I'll send you back."

Su Wanwan lowered her eyes and thought for a while before shaking her head. no need, Grandpa. I won't go home for the time being. I want to go to mu Nian's company first.

Su Zhenhua's brows instantly lit up with a smile. He nodded as if he was a child that could be taught. Wanwan, Grandpa always said that you've always been better than your sister. You're sensible.

Su Wanwan pulled the corners of her lips and didn't speak.

Su Zhenhua didn't care. He reached out and patted su Wanwan's shoulder, saying, " go. We haven't seen each other for a week. Spend some time with your husband.

Su Wanwan didn't want to talk about this issue and only said softly, " "Grandpa, take care." Then, he said to Secretary su, " drive carefully.

Secretary su replied, " don't worry, miss.

After Su Zhenhua got into the car, su Wanwan waved at him and watched the car leave. She only retracted her gaze and looked at her phone when the car was out of sight.

If he went to look for PEI Munian at this time, they could have lunch together.

She had not seen him for a week, and she really missed him.

Su Wanwan hailed a taxi and went straight to the PEI group building. During this time, she still called PEI Munian. Without exception, assistant Wu picked up the call.

Su Wanwan couldn't help but feel disappointed. assistant Wu, PEI Munian is in a meeting this time? " Or did you go out again?"

Assistant Wu glanced at her Big Boss, who was sitting behind his desk in a daze. Without blushing or having her heart skip a beat, she said, " young Madam, I'm so sorry. Boss PEI is in a meeting.

Su Wanwan was silent for a moment and her voice became a little serious. assistant Wu, tell me the truth. What's wrong with PEI Munian recently? " Every time I call you, you're always finding excuses to stop me. Once or twice is fine, but after a few times, I'm not stupid. PEI Munian wasn't busy at all, was she? Maybe Yingluo doesn't want to pick up my call?"

This woman's sharp senses, Yingluo.

Assistant Wu also knew that he couldn't hide it for long, but how could he have the heart to tell her the truth?

"Don't think too much about it, young Madam. Boss PEI is fine. He's just really busy recently! That's why it's always so coincidental." Assistant Wu tried hard to emphasize.

Su Wanwan knew that she wouldn't be able to get anything out of assistant Wu. Anyway, she was going to reach the company soon. She would go and see if PEI Munian was really that busy!

The car arrived at PEI family corporation. Su Wanwan got out of the car, then dragged her suitcase and walked into the building.

As she did not need to make an appointment and could enter directly, she skipped over the front desk and walked straight to the elevator. Unexpectedly, before she could reach it, she was stopped by the front desk lady who caught up with her from behind.

Su Wanwan looked at the front desk lady, puzzled. what's wrong? "

The front desk lady looked back at su Wanwan. Her eyes flickered slightly, as if she was in a difficult position. After a long time, she opened her mouth. miss su, you need to make an appointment before you can go up.

Su Wanwan was suddenly stunned. Why did she need to make an appointment?
