Chapter 143 I want to live a good life with you (13)

Su Wanwan's eyes changed slightly. Although she didn't know how PEI Munian suddenly became so cold when she was still fine before, she was more or less optimistic. But now it seemed that the situation was worse than she imagined.

Why?

However, there was no time to think about it now. No matter what PEI Munian's attitude was, it was a matter between them. Before she made things clear, she must not let Xi Zhiwei come between them, in case there were any more variables!

Su Wanwan's hands clenched hard and then let go. The corners of her lips rose and she forced a smile. She took a few steps forward and caught up with them from behind. Then, she squeezed in from the middle and forced Xi Zhiwei away. She held PEI Munian's hand and smiled, "Hubby, I'm back."

Xi Zhiwei didn't expect su Wanwan to be so barbaric and directly pushed her away. She lost her balance and staggered a few steps to the side, almost falling.

After she managed to stand firmly, her eyes suddenly burned with fire. She gritted her teeth and said, "Su Wanwan!"

Su Wanwan treated her like air and ignored her. She only looked at PEI Munian and continued, "I came over as soon as I got off the plane. I wanted to find you to have dinner together, but I didn't know you were busy. Are you done now? Let's go eat! I'm so hungry."

As su Wanwan spoke, she blinked her big eyes at PEI Munian pitifully.

PEI Munian's Black eyes glanced at su Wan. Her dark eyes looked at her, the light at the bottom of her eyes flickered, like the most beautiful stars in the night sky, making people look at her and can't help but fall deeply for her.

Her eyes were so innocent, but he clearly knew that there was a deep scheme behind her innocence.

Her heart was like an exquisite machine. There were only calculations and no emotions.

The corners of PEI Munian's lips slowly curled up into a smile, blooming on that handsome face, as if it was soul-stealing. Su Wanwan's heart that was hanging in her throat was caught by his smile and couldn't help but smile.

Perhaps she was overthinking it. There was nothing wrong with PEI Munian at all. Otherwise, why would she still smile at her?

However, PEI Munian's smile only lasted for a second. His face quickly sank and his eyes were covered with a layer of ice. He looked at her coldly. su Wanwan, didn't you see that I was about to go to dinner with Weiwei? "

Su Wanwan's smile was a little stiff.

PEI Munian pulled su Wanwan's hand away from his arm without any pity and her voice became colder. also, don't come here casually if there's nothing important. This is the company, not a private club!

With that, PEI Munian no longer looked at her and strode away.

Xi Zhiwei was originally very angry with su Wanwan, but when she saw the scene in front of her, her face immediately turned from Yin to yang. Her mood was extremely comfortable and proud. su Wanwan, you also have a day like this? "

It was rare for su Wanwan to be embarrassed in public. Xi Zhiwei naturally wouldn't let go of the opportunity to ridicule her. She was about to say something when PEI Munian suddenly stopped in her tracks. She turned and said, " Weiwei, let's go.

Xi Zhiwei swallowed the words that were on the tip of her tongue. Even though she was not willing to let go of this great opportunity, it was more important to have a meal with brother mu Nian.

Xi Zhiwei quickly responded, " okay, brother mu Nian, I'll be right there.
