Chapter 158 I want to live well with you (28)

For a moment, neither of them spoke. The surroundings were silent, as if they could only hear each other's breathing. Then, Mrs. PEI's voice suddenly came, Breaking the Silence.

"Where did you two go? why are you standing at the door?"

Su Wanwan was shocked. She suddenly came back to her senses and quickly put down her arms.

However, Mrs. PEI's sharp eyes had already caught this scene. She couldn't help but raise her eyebrows suggestively. it seems that I came at the wrong time.

Su Wanwan's fair cheeks blushed and she subconsciously stole a glance at PEI Munian.

However, she did not see any embarrassment or discomfort on PEI Munian's face. Instead, she was still as cold as ice, as if she was not the one Mrs. PEI was teasing.

He didn't look at su Wanwan. He directly raised his feet and walked into the house.

Su Wanwan was a little disappointed.

Her sincere confession still did not get any reaction from PEI Munian. Did she really misunderstand her earlier?

Mrs. PEI looked at the disappointment on su Wanwan's face that couldn't be hidden and gently encouraged her: "Wanwan, don't be disheartened. I don't think mu Nian really doesn't like you. According to his personality, if he really didn't like you, he wouldn't have let you get close to him, let alone marry you."

Marry her, Yingluo

Su Wanwan's eyes darkened even more.

He had no choice but to marry her. If it weren't for the scandal, how could he have married her? How could he let her get close?

Su Wanwan also wanted to smile and tell Mrs. PEI that she wasn't disheartened and that she would continue to work hard, but at this time, she really couldn't smile. She lowered her eyes and said a few words in a low voice, "mom, thank you.

Thank you for comforting her.

Mrs. PEI saw that su Wanwan still had a disappointed look on her face and knew that she didn't believe her words. She thought about it and continued, "Wanwan, believe me. Mu Nian is my son. I can tell that you're still in his heart. Otherwise, he wouldn't have said that he wanted to marry you without hesitation after the scandal between the two of you.

Su Wanwan was still feeling upset, but when she heard Mrs. PEI's last sentence, her long, curly eyelashes trembled fiercely and her eyes suddenly widened. mom, ran ran, you just said that mu Nian married me because he willingly agreed to it? "

of course he's willing. Otherwise, who could force him? ”

Mrs. PEI answered subconsciously. However, after she finished speaking, she looked at su Wanwan's dazed expression and was a little surprised. Wanwan, don't tell me you didn't know? ”

How could she know about Yingluo?

She had always thought that PEI Munian had no choice but to marry her. Just a second ago, she still thought so.

Su Wanwan unconsciously shook her head, her eyes were blank.

For a moment, Mrs. PEI really didn't know whether she should laugh or feel helpless. Didn't su Wanwan fall in love with her son before? How could she not understand her son at all?

In this world, no one could force her son to do anything he didn't want to do. Otherwise, for so many years, she had wanted him to get married and have children, but she couldn't do anything.

Wanwan, it's not that I'm biased towards my son as a mother, but you should really put more effort into mu Nian. He deserves your love. If he can fall in love with you, you'll be very happy.

—

PEI Munian walked straight back to the balcony in the house before stopping.

Su Wanwan's words just now had been lingering in his ears, invading his brain little by little and disturbing his thinking.

He clearly knew that this was just su Wan's sweet words, but he still couldn't resist such a beauty.
