Chapter 168 A fight at the head of the bed and at the end of the bed (10)

PEI Munian, Wanwan is asleep?

Su Wanwan couldn't help but step forward. As soon as she got close, she could smell the strong smell of alcohol on his body. Su Wanwan was stunned for a moment. PEI Munian was drunk and drunk?

Then, when he went to a room with Xi Zhiwei, was it not what she had imagined? Just because he was drunk, she got a room to rest?

As soon as this thought appeared in her mind, the big stone that was pressing on su Wanwan's heart was not so heavy in an instant.

But why did PEI Munian drink so much?

Su Wanwan sat next to PEI Munian. Her black eyes looked down at him. PEI Munian didn't sleep well. Her brows were tightly furrowed, as if she had encountered something annoying and she kept muttering to herself.

Because his voice was too soft, su Wanwan couldn't hear what he was saying clearly. She slowly leaned down and turned her ear, wanting to hear what he was saying.

He seemed to be repeating these two words, but he was almost in a trance. Su Wan found it very difficult to recognize and could only infer that those two words seemed to be a person's name.

PEI Munian was drunk and was shouting someone's name. Who would he call out?

Xi Zhiwei?

Su Wanwan held her breath and placed all her attention on her ears, trying to identify it more carefully.

After listening for another minute, she could tell that the name he called out was reincarnation. The two words were the same.

The name was the same, so could Yingluo be her?

However, when PEI Munian called out to Xi Zhiwei, she had directly called her Wei Wei. That was also a reword!

As the saying goes, "a drunk speaks the truth." If PEI Munian had called out Xi Zhiwei's name after drinking, did that mean that he had feelings for her?

These days, the news of him and Xi Zhiwei had been frequently reported. He didn't do any public relations at all, as if he had acquiesced to it. Before, she wasn't very worried, but the words he said to her last night, plus the fact that she saw him and Xi Zhiwei so close just now, su Wan's heart couldn't help but tremble.

If it was any other woman, she might not be so afraid. However, Xi Zhiwei was different. They were childhood sweethearts and PEI Munian had always treated Xi Zhiwei differently. It was very likely that

PEI Munian would like her. Once his feelings were biased towards Xi Zhiwei, she would never be able to get him back!

Su Wanwan suddenly became timid.

She wanted to hear it, but she didn't dare to. She was afraid of hearing an answer that she didn't want to face. After all, if she didn't know, she could still play dumb.

But what if PEI Munian was calling her name?

There was a 50% chance that he had called her name. If PEI Munian had called her name after getting drunk, it might mean that she still had a place in his heart.

Su Wanwan hesitated and struggled. In the end, she couldn't resist the expectations in her heart. She held her breath again and listened carefully to the name PEI mu read.

She followed the syllables he made and read them out one by one. Wan Wan Wan Wan.

Su Wanwan couldn't believe it and repeated it several times with PEI Munian.

"Wanwan!"

"Wanwan!"

"Wanwan!"

Then, she felt dizzy. Happiness came too suddenly, and she didn't know how to place her hands and feet.

PEI Munian was calling her name and he was calling her name. Su Wanwan was so excited that her heart beat faster. Her lips curved and her hand couldn't help but float up to PEI Munian's face. Her voice trembled as she spoke, " PEI Munian, you speak the truth after drinking. You're calling my name now. Does it mean that I'm in your heart?"
