Chapter 171 A fight at the head of the bed and at the end of the bed (13)

Su Wanwan despairingly looked at the door in front of her and the arm that was placed horizontally on the side of her face. She thought: Oh no, she was done for. Would PEI Munian be so angry that she wanted to divorce her?

If he took the initiative to admit his mistake, he shouldn't be too angry, right? No matter what, she could not let PEI Munian misunderstand her again. She had to explain herself clearly!

Su Wanwan immediately turned around. The man in front of her almost enveloped her whole body. The wall lamp above her head shone down and the light was dim. PEI Munian's handsome face was deep and blurred, and her black eyes were bottomless. The gaze she used to look at her was heavy and carried an oppressive pressure.

Su Wanwan only took a glance and then lowered her eyes. She bit her lower lip hard, organized her words, and then rushed to say before PEI Munian could question her, " PEI Munian, I, I came here to meet a client today. No, I accidentally saw you and Xi Zhiwei. Then, you got drunk and Xi Zhiwei helped you to your room to rest. I, Qianqian, I was worried that she wouldn't be able to take good care of you, so I followed up to take a look. I'm leaving after taking a look. I don't have any other motives, I don't!

As su Wanwan spoke, she also shook her head hard to show that she really just came to see him!

Of course, she wouldn't say anything about her scheme to lure Xi Zhiwei away.

However, PEI Munian was not in the mood to listen to her explanation. All he wanted to know now was whether the words he had heard in his daze were true.

PEI Munian's Black eyes drooped slightly and his gaze was fixed on su Wan. There was a trace of struggle and hesitation at the bottom of his eyes. It was quickly covered by determination. He gently took a breath, closed his eyes, opened them, and said in a hoarse voice, " su Wan, I'll just ask you one question. What you said just now, was it true?"

Su Wanwan was waiting uneasily for PEI Munian to speak, or perhaps ridicule her, but she didn't expect him to suddenly ask such a question.

Su Wanwan's Black eyes widened and she was slightly stunned.

When PEI Munian saw that su Wanwan didn't answer, she couldn't help but hold su Wanwan's shoulders with both hands. She couldn't control the strength in her hands and her voice was deep and anxious. answer me, you said you like me and have always liked me. Is it true? "

Su Wanwan's shoulder was grabbed by PEI Munian and it started to hurt. Su Wanwan took a deep breath and came back to her senses.

So PEI Munian had heard what she said just now. Was he so anxious about Wanwan because he cared if she liked him?

If he cared about her, did that mean he had feelings for her?

Su Wanwan's eyes brightened and she looked up at PEI Munian. Facing his black eyes, her lips moved slightly and she answered word by word, " yes, what I said just now is true. I, Yueyue, I like you.

Su Wanwan's hands suddenly clenched tightly. Then, she swallowed her saliva and repeated seriously, " PEI Munian, I like you. Whether it was in the past or now, I've always liked you!"

PEI Munian had heard su Wanwan's confession countless times. Every time, she was so sincere and sincere. In that pair of big watery eyes, there was tenderness and only his small reflection. It was as if she could only see him in the whole world.

She was exactly the same as she was three years ago when she confessed to him.

PEI Munian's long eyelashes gently trembled. The heart in her chest, following su Wan's words, uncontrollably beat violently.
