Chapter 182 I need to prepare for the wedding IV

The next second, su Wanwan was caught by the strength of her wrist and her whole body was pressed against the wide desk.

PEI Munian supported her face with one hand and pinched her chin with the other. She rubbed her chin gently with her fingers and said in a low and hoarse voice, "I've made such a huge sacrifice for you, and you only have one word of thanks?"

Su Wanwan blinked and blinked again, as if she didn't understand. She opened her innocent eyes and said, "Then I'll say a few words?"

PEI Munian looked at the cunning light in su Wanwan's eyes. The corners of her lips curved up devilishly, and her handsome face gradually pressed down. He answered her word by word, "you don't have to say it. It's more sincere to do it.

".....?"

PEI Munian, you hooligan!

However, before she could say this, PEI Munian had already kissed her deeply, swallowing all her words.

Su Wanwan's hand lightly pounded his chest a few times, and then, her hand unconsciously hugged him and held him tightly.

Ever since she found out about that matter three years ago and broke up with him in a fit of anger, she no longer dared to hope for a future between them. Even after she married him, she lived every day carefully, ready to be driven away by him at any time.

She never thought that they would end up like this.

It was so blissful, so sweet, so beautiful. She felt as if she had suddenly fallen into a beautiful dream. She was very happy, but at the same time, she was also deeply afraid.

Her happiness seemed to have always been extremely fragile, like walking on thin ice, and would break if she was not careful.

Didn't her happiness only last for less than 24 hours three years ago?

Would there be a time limit for her happiness this time?

Even if there was, couldn't she be a little more greedy and hope that this time period would be a little longer, just a little longer?

Su Wanwan's mood was inexplicably a little low. Even if she tried her best to hide it, PEI Munian still found out. His lips slightly left su Wan's lips and he panted slightly. His big palm held her cheek and asked gently, "what's wrong?"

Su Wanwan looked at PEI Munian's concerned eyes and felt a trace of warmth in her heart. There were many things that she had been suppressing in the bottom of her heart and did not dare to say. She had

hidden them well, afraid that others would see her weakness. However, the man in front of her was the man she loved deeply. His gaze was so gentle, so gentle that it made her closed heart open uncontrollably, exposing her fear and uneasiness in front of him.

Su Wanwan bit her lower lip and said in a low voice, " PEI Munian, will we always be fine? "

PEI Munian thought that he was the one who had no sense of security. Who knew that su Wanwan was also so insecure.

Would she also worry and care about them? Did he care because he liked her?

PEI Munian's heart trembled fiercely. His eyes became more and more affectionate, like the vast ocean, wanting to drown su Wanwan in it. He replied firmly, " I will.

As long as su Wanwan was willing, he would always be good with her, love her well, and hold her hand well for this long life.

PEI Munian's promise made su Wan's heart a little more at ease, but she didn't know why, there were still strands of inexplicable panic in her heart. She couldn't express this feeling and could only subconsciously hold PEI Munian tighter. Then, she raised her head slightly and took the initiative to kiss PEI Munian.

The two of them were entangled in the study and kissed all the way back to the bedroom.
