Chapter 187 I need to prepare for the wedding (9)

Su Zhenhua's words changed and su Wanwan's heart suddenly rose again.

Su Zhenhua glanced at su Wanwan and continued, " you did remind me of something.

What did she remind him of?

Su Wanwan couldn't think of anything, but her heart couldn't help but surge with a bad premonition. Her hands unconsciously clenched, and her voice trembled slightly, " what, what is it? "

Su Zhenhua didn't answer immediately. Instead, he slowly walked to the sofa. Su Wanwan could only follow.

After Su Zhenhua sat down, he reached out to pour himself a cup of tea. Su Wanwan quickly said, " Grandpa, let me do it.

After su Wanwan sat down, she picked up the brewed tea on the coffee table, poured a cup, and pushed it in front of Su Zhenhua. Su Zhenhua picked up the teacup and took a sip. Then, he put down the teacup and opened his mouth again. you're right. You and PEI Munian have only been married for a short time. He didn't develop deep feelings for you, so you couldn't make him listen to you and you were afraid of angering him.

if we have to wait for PEI Munian to like you, fall in love with you, and eventually obey you, we don't know how long we have to wait. Moreover, there might be other variables in between. If we do this, we'll always be in a passive position.

Wanwan, we can't let ourselves be on the passive side. We have to fight for the initiative so that we can gain more benefits from the PEI family.

The light in su Wanwan's eyes gradually faded with Su Zhenhua's words.

She should have known that her grandfather would not give up so easily.

But no matter what, she still had to work hard to fight for it.

Su Wanwan suppressed the heaviness in her heart and still maintained an awkward expression on her face. Grandpa, there's nothing wrong with what you said, but we have no other choice but to wait, right? "

Su Zhenhua chuckled. why not? "

Su Wanwan's heart trembled fiercely. Grandpa, you, you have a way? "

Su Zhenhua curled his lips and his deep and sharp eyes looked straight at su Wanwan's flat stomach. His eyes were full of schemes. if we want to turn passive into active, we'll have one less bargaining chip. As long as we have this bargaining chip, we don't have to worry about not being able to catch PEI Munian.

Bargaining chip?

Su Wanwan doubtfully followed Su Zhenhua's gaze and looked at her abdomen. In just a few seconds, she realized what her grandfather was up to and was stunned.

Her eyes widened in disbelief, and her voice was filled with fear. grandfather, you mean Wanwan? "

Su Wanwan hadn't finished speaking when Su Zhenhua directly nodded and said, " that's right. Your child will be our biggest bargaining chip. If you have a child and the heir of the PEI family, PEI Munian will naturally publicize your identity and give you and the child a status. Even if he's not willing, there's still Mrs. PEI. Mrs. PEI has always been looking forward to having a grandson. She'll make the decision for you.

".....?"

Su Wanwan didn't expect that her grandfather would be so calculative. She had already listened to him unconditionally. For the SU family, she had sacrificed almost everything, but he was still not satisfied. Now, he was even thinking about her future child.

She was already the SU family's bargaining chip. Her child was not even born yet, and she was also going to be used as a bargaining chip by Grandpa?

Unable to suppress the disappointment and anger, su Wanwan's cheeks flushed red. Grandpa, you ran ran, you ran ran.
