

Deeply 190

Chapter 190 I need to prepare for the wedding (12)

When su Wanwan called, PEI Munian had already returned to the old house and was accompanying father and mother PEI for lunch. She also mentioned to them that he was going to hold a wedding.

Mr. And Mrs. PEI were stunned.

Some time ago, when PEI Munian and su Wanwan returned to the old mansion, PEI Munian was still cold and didn't give su Wanwan any face. It had only been less than a month and PEI Munian was actually willing to hold a wedding.

The meaning of his words was that he really acknowledged this marriage and acknowledged su Wanwan as his wife.

Mrs. PEI smiled immediately. Even Mr. PEI, who was always serious, smiled slightly. They only had one son. As parents, they were naturally happy that he could find the woman he liked and be happy.

Mrs. PEI grabbed PEI Munian's hand and grinned widely. However, she did not forget to tease PEI Munian. I knew Wanwan would definitely be able to get you. You were still acting cool before, but now you can't wait to announce it to the world.

The expression on PEI Munian's handsome face did not change. It was as if she could not hear her teasing. She said calmly, "mom, I'll have to trouble you with the wedding. Because of this, I don't want Wanwan to know about it for the time being."

Mrs. PEI could not see her son's shy expression and felt indignant. However, her son's care was enough to show his seriousness. She could not help but sigh. not bad, son. Now you know how to make a romantic surprise. Don't worry, mom will definitely make you a grand wedding of the century!

PEI Munian glanced at Mrs. PEI from the corner of her eyes, an imperceptible smile in her eyes.

Her phone suddenly rang. PEI Munian looked at the caller ID and picked it up immediately. Then, his expression changed and he asked in a low and deep voice, "where are you?"

"Stay where you are, I'll go over now."

PEI Munian said as she walked out, forgetting to say goodbye to her parents.

Mrs. PEI watched as PEI Munian left in a hurry and turned to father PEI. old PEI, I saw it just now. That call was from Wanwan. Ever since our son encountered that accident when he was young, he kept all his thoughts to himself and couldn't show his emotions. It was only when he encountered Wanwan's incident that we could see his true emotions and he became like an ordinary person.

Mr. PEI nodded and said, "that's the main reason why you agreed to their marriage, right?"

that's right. Of course, Wanwan's a good person, but you also know that I still feel embarrassed when I see my cousin after what happened between her and Lingyu. Also, I can't agree with Wanwan's grandfather's style of doing things. I've received news that he's already told everyone about mu Nian and Wanwan's marriage. I don't know what he's going to do after mu Nian and Wanwan's wedding."

“The SU family’s old master is already so old, what storm can he still cause? Don’t worry about it, just think about their wedding.”

that’s true, but I still feel a little uncomfortable. I didn’t even dare to tell mu Nian about this, afraid that it would affect their relationship. Old PEI, to be honest, I’ve always thought that our future daughter-in-law would be Weiwei. When Zhiqian passed away, didn’t he leave Weiwei in mu Nian’s care? ”

Before Mrs. PEI could finish her sentence, Mr. PEI interrupted her in a deep voice. Munian is already married. Don’t say such things again.
