Chapter 191 Walking on thin ice in happiness (1)

"I know. I just feel that it's a pity. After all, we watched Weiwei grow up and Zhiqian saved mu Nian. Mu Nian treated Weiwei quite differently back then. I didn't expect him to fall for another girl in the end." Mrs. PEI mumbled, " say, if our son didn't know Wanwan, maybe Weiwei would really be our daughter-in-law.

Mr. PEI could not help but feel a headache coming on. I told you to stop talking, but you're getting more and more excited, aren't you? "

"Alright, alright, I'll stop talking."

Mr. And Mrs. PEI continued to eat, and no one noticed the slender figure standing at the side of the entrance of the evening Hall.

Xi Zhiwei had arrived early in the morning and was accompanying her mother in the back room. When she heard that PEI Munian was back, she was overjoyed and quickly ran out. However, just as she reached the entrance of the evening Hall, she heard that PEI Munian was going to hold a wedding. At that moment, it was as if she had been struck by lightning, and she was dumbfounded on the spot.

When su Wanwan answered PEI Munian's call that day, she already felt uneasy in her heart. However, she still held on to a glimmer of hope. Perhaps su Wanwan was just bluffing. Brother Munian hated her so much, how could he forgive her so easily?

At this moment, her hope had been ruthlessly shattered. She almost couldn't stand still and her body was on the verge of collapse.

After PEI Munian left, she was still unable to leave. Her feet seemed to be nailed to the ground and she could not lift them no matter what.

The more she listened to Mrs. PEI's words, the more uncomfortable and unwilling she became.

PEI Munian had indeed promised his brother to take good care of her. At the beginning, he was clearly so good to her and he clearly hated su Wanwan so much. Why did he still choose su Wanwan in the end!

No, it's not brother mu Nian's fault. It's Su Wanwan's sinister methods that bewitched brother mu Nian. Back then, her brother Qianqian was also bewitched by her and that's why she's bewitched.

Xi Zhiwei gritted her teeth and a malicious glint flashed across her eyes.

She wouldn't let su Wanwan get her way. She must expose her true colors and let mu Nian see this woman clearly!

—

PEI Munian arrived very quickly. It seemed that he had just hung up the phone when he was already downstairs.

Su Wanwan didn't even have time to wipe her tears and jogged all the way to the company's entrance. She saw PEI Munian's tall figure standing there. The wind blew past and puffed up his white shirt. He

seemed to have come in a hurry and didn't even wear his coat. Even his sleeves were rolled up on his arms and didn't let go. Even in this state, he was still extremely handsome.

He walked towards her against the wind. The sun shone brightly behind him, but su Wanwan felt that PEI Munian was even more brilliant than the sun.

Her world was gradually being invaded by light.

Su Wanwan didn't even think about it. She lifted her feet and ran towards him.

PEI Munian saw her running over. He stopped and opened his arms. When su Wanwan rushed over, he immediately tightened his grip and held her tightly in front of him.

PEI Munian's embrace was broad and warm. Su Wanwan seemed to have found the best home. The tears that had stopped slowly overflowed again.

She was really not alone. She really still had PEI Munian.

PEI Munian hugged her and allowed her tears to wet his shirt. He patted her back gently to help her breathe. When her cries gradually died down, he asked in a low voice, " why are you crying? "
