

Deeply 203

203 She was really lying to him (3)

PEI Munian's hand that was holding the phone suddenly tightened, and his eyes turned completely cold. He suppressed the surging emotions in his heart and said in a low voice, "Mom, don't talk about such nonsense anymore."

Mrs. PEI noticed the change in her son's mood and knew that her words had made him unhappy. However, even if he was unhappy, she still had to say what she had to say.

Munian, there might be a reason for this. Although I don't believe Wanwan would do such a thing because I feel that she still has feelings for you, you should investigate this matter clearly. If there's really something between you and Wanwan, it can be resolved as soon as possible.

"I know."

After hanging up the phone, PEI Munian threw the phone on the table. He put his hands together to support his forehead and slowly shook his head.

It was impossible, impossible.

Su Wanwan wouldn't take birth control pills. She said that she wanted to have children with him.

They had been very happy together these past few days. She had always leaned in his arms and talked about the future. She had been so happy to decorate their new house. She had smiled at him, acted coquettishly, and been arrogant. She had become so lively and beautiful. She had also looked forward to building a happy family with him. How could she have taken birth control pills without him knowing?

He didn't believe it!

He didn't believe that this was another scam!

Even if it was Yingluo, as long as he didn't see it with his own eyes and there was no evidence, he wouldn't believe it. He didn't believe anything!

So, su Wanwan, don't let him down, don't let him down again.

—

The advertisement shooting time was originally set to be five to six hours, but in order to perfect it, it was shot until six or seven o'clock in the evening, and the sky had already darkened.

After su Wanwan, the director, the staff, and Ji Xinxin expressed their gratitude, she said, "I've booked a private room in dynasty. Let's go for dinner.

The director and staff gladly accepted it, and because Ji Xinxin still had to rush for a job, su Wanwan had to do it with her next time. Ji Xinxin also readily agreed.

After Xiaomei finished her work, she returned to su Wanwan's side and looked at su Wanwan with a trace of worry in her eyes, "sister Wanwan, can your body still take it? Why don't you not go to the dining area?"

“It’s fine. I’m much better now. We still have to count on them for the post-production of our advertisements. I still have to accompany them for this meal.”

Of course, Xiaomei understood su Wanwan’s meaning. Business is like this. It’s not strange to have too many gifts. If you want others to give you good things, you must first show enough sincerity.

“Alright, I’ll go get the car.”

“Yes.”

After Xiaomei left, su Wanwan thought for a while and took out her phone from her bag. She was not going home for dinner today. She had to let PEI Munian know so that he wouldn’t wait for her.

Su Wanwan skillfully dialed PEI Munian’s cell phone number, but the phone rang for a while and no one picked up.

Su Wanwan frowned slightly. Was PEI Munian still busy?

She did not know when Xi Zhiwei had walked up from behind. When she saw that she was on the phone, she gave her a side glance and smiled. what’s wrong? ” Are you calling brother mu Nian?”

Su Wanwan originally thought that Xi Zhiwei could really hold back and not provoke her today. She didn’t expect that she had overestimated her.

Su Wanwan was too lazy to pay attention to her. Her eyes turned elsewhere, as if she didn’t see her.

It was rare that Xi Zhiwei did not get angry. She was still smiling. sister Wanwan, don’t misunderstand. I’m really happy for you and brother mu Nian to reconcile and be so loving. I just hope that you two can be together for a long time!
