206 She was really lying to him (6)

He had always been unable to see through su Wan's mind. Once, he was angry and helpless, but now, he would rather he didn't understand su Wan's mind. This way, he couldn't see her flickering eyes, couldn't see the guilt that flashed through her eyes, and the stammering in her tone.

But even at this point, he still wanted to believe her.

He had said that even if she lied to him, as long as she didn't let him know, he could pretend that he didn't know and pretend that she was sincere.

Even though he was so lowly, who told him to love her? She loved him so much that her bottom line had retreated bit by bit, until there was no way to retreat.

PEI Munian didn't want to see su Wanwan's expression at the moment, exposing her deception and his self-deception bit by bit.

PEI Munian suddenly reached out and carried su Wanwan onto the bed. The next second, he pressed her under him and kissed her hard.

Su Wanwan was still feeling guilty, but she didn't expect PEI Munian's sudden action. She widened her eyes in shock until the tip of his tongue was in her mouth, and she only came back to her senses when he was wandering around wantonly.

After su Wanwan took the birth control pill today, the side effects were a Little Big and she had been feeling uncomfortable. In addition, she had drunk some alcohol at the dinner just now, so she felt even more uncomfortable now. Thus, her hand subconsciously pressed against PEI Munian's chest and pushed it lightly.

Su Wanwan didn't actually use much strength, but she didn't expect PEI Munian to be pushed away by her.

PEI Munian's breathing was a little rushed. He placed his hands by her side and his eyes were as dark as ever. His voice was low and his words were extremely straightforward. you don't want it? "

Su Wanwan's cheeks were a little red. She was not used to such intimate words.

Ever since they had reconciled, she had never rejected his suo Huan. Although she was still a little traumatized, PEI Munian's warm treatment was able to dispel her fear and even make her feel a little happy.

However, she was really not feeling well today, so she shook her head honestly. mu Nian, I had some drinks at the dinner just now. I'm a little dizzy now.

"Is that so?"

PEI Munian replied lazily. She did not know if he believed her or not, but he sat up straight and smiled at her. However, his smile had faded. if you feel dizzy, rest early.

PEI Munian was so gentle and considerate that su Wanwan felt a little embarrassed.

Before he got up, she wrapped her arms around his waist and said gently, " "Mu Nian, I'm sorry. I ... I'll make it up to you next time."

Even after saying this, su Wanwan still couldn't help but feel shy. She didn't even dare to look PEI Munian in the eyes.

PEI Munian lowered her eyes and looked at su Wanwan's evasive gaze. The smile in his eyes slowly faded. He pulled su Wanwan's hand away and turned over to get off the bed. I have to deal with some documents. You go to sleep first, don't wait for me.

PEI Munian only returned to her room when it was almost dawn. The room was quiet. Su Wanwan was sleeping soundly and the light at the head of the bed was on.

PEI Munian stood still and stared at the lamp, slightly lost in thought.

She still waited for him, didn't she?

That ray of warm light seemed to be able to warm his heart and the coldness in his body was dispelled bit by bit. He raised his foot and wanted to walk towards su Wan, but he was careless and knocked into the table at the side. The bag on the table fell down and the things inside also scattered out.

One of the bottles rolled all the way to his feet.
