213 A surprise (3)

The phone rang and the screen lit up.

PEI Munian's hand that was flipping through the documents paused. Her eyelids lifted slightly and she glanced at the phone screen. She saw su Wanwan's text message.

He picked up his phone, opened the message, and read it expressionlessly. Then, he quickly replied with one word, " yes.

Then, he threw the phone back, his eyes cold.

When su Wanwan received PEI Munian's usual simple and concise reply, she not only pouted but also poked her finger on the phone screen as if it was PEI Munian's face. She complained, " PEI Munian, will you die if you reply a few more words!

Su Wanwan complained for a long time. After her breath was cleared, she couldn't help but hold her phone and laugh foolishly.

After all, from the moment she started to pursue PEI Munian, she knew that he was such a cold and aloof man. Didn't she like his cold and arrogant personality?

She was really looking forward to what kind of surprise this man could create for her.

Su Wanwan went to the beauty salon in the afternoon and did a good skincare routine. When she returned home, she sat in front of the dressing table and carefully put on a beautiful makeup. When she chose the lipsticks, her hand slid through the row of lipsticks and chose a bright red color.

Passion, just like the feelings in her heart.

Su Wanwan finished her makeup, put on her beautiful dress again, put on her jewelry, took her handbag, and went downstairs.

Aunt Wu looked at su Wanwan's beautiful figure as she walked down the stairs. Her eyes were full of amazement. young Madam, you're so beautiful. You'll definitely charm our young master later.

Who didn't like to be praised?

The corners of su Wanwan's lips rose slightly, and a smile bloomed on her beautiful face. aunt Wu, thank you.

Su Wanwan went out of the gate and there was a driver waiting for her at the door. The driver stood by the door and said respectfully, " "Young Madam, young master asked me to come and pick you up."

As he spoke, he pulled open the back door and said, " "Young Madam, please get in the car."

PEI Munian had really thought everything through.

For a moment, su Wanwan felt as if she had become a Princess and this car was her pumpkin car, taking her to the Prince's banquet.

However, she was different from Cinderella. Everything would return to normal after midnight for Cinderella, but Qianqian was still PEI Munian's Princess even after midnight.

Su Wanwan nodded at the driver, slightly lifted her skirt, bent down, and sat in the car.

The driver closed the door, returned to the driver's seat, started the engine, and drove out of the villa.

The sky gradually darkened and the neon lights outside the car window shone in from time to time. Su Wanwan lowered the car window. The breeze was gentle and blew on her face. Her heart jumped little by little.

The car arrived at dynasty. Su Wanwan got out of the car, walked into the hotel, and took the elevator.

The elevator went up floor by floor. Su Wanwan looked at the numbers that kept jumping above her head. Her heart was already a little uneasy, and now it jumped even more violently.

Bang Bang Bang. In this quiet space, she could almost hear her own heartbeat.

With a ding, the elevator arrived at the revolving restaurant, and the door slowly opened.

Su Wanwan walked out of the elevator. There was not a single person in the huge restaurant.

What was going on? Where are the waiters? And what about PEI Munian? Could it be that they haven't arrived yet?

Su Wanwan walked in doubtfully. When she reached the middle of the dining room, she finally saw the man she had missed for two days.
