228 When the dream shattered (8)

“Miss su Wanwan, you fled like this, is it because your lie was exposed?”

“Miss su Wanwan, as a girl, how can you disregard your reputation and create such a scandal? Isn’t that a little too unscrupulous?”

“Miss su Wanwan, say a few words and respond!”

Su Wanwan supported Su Zhenhua and walked with difficulty. However, the group of Wolf-like reporters forced su Wanwan to speak and didn’t give her a chance to leave.

Su Wanwan’s face was getting paler and paler. The light refracted down, making her face as pale as paper. She grasped her grandfather’s hand tightly and restrained the choking of her voice. I have nothing to say. Move away, all of you move away.

How could the reporters be willing to let her go? the encirclement became smaller and smaller, and they pressed closer and closer. Their words were also sharper and sharper.

Su Wanwan’s tears were already spinning in her eyes and her whole body trembled violently. If she didn’t have to take care of her grandfather, perhaps she wouldn’t be able to hold on. move away, move away!

No matter how hard she tried to hold on, her voice still sounded like she was about to cry. It was as if she could not hold on any longer and would collapse in the next second.

Assistant Wu looked at the chaos on the other side and frowned. She couldn’t help but look at PEI Munian.

He stood there, his muscles all tensed up. His handsome face was dark, and his hands hanging by his sides were clenched so tightly that the veins on the back of his hands were protruding.

He couldn’t help sighing in his heart. He clearly couldn’t bear it, so why did he hurt others and himself like this?

Assistant Wu thought for a moment and still braced himself to speak up. boss PEI, the reporters are going overboard. If this goes on, let’s clean it up.

Before assistant Wu could finish speaking, PEI Munian had already taken a step forward and walked towards su Wanwan. However, before he could reach her, another figure was one step faster than him. He pushed the reporters aside and barged into the encirclement. He held su Wanwan in one hand and protected her in his arms. He pushed away all the microphones from the reporters with the other hand and roared angrily at them, “ all of you, get out of my way. She has no obligation to answer any of your questions!

PEI Munian stopped in her tracks.

Suddenly, a person barged in and the reporters were stunned for a moment. However, when they saw that the person who came was actually the gong family’s gong family’s gong Lingyu, all of them became

even more excited as if they had been injected with chicken blood because they knew that Gong Lingyu and su Wanwan had dated before.

“Mr. Gong, why did you help su Wanwan? Is there any other relationship between you two? Is miss su Wanwan seducing Mr. PEI while maintaining a relationship with you?”

“What did you say? you better watch your mouth!”

Gong Lingyu was already filled with anger, and now that the reporter was speaking in such a nasty manner, he was immediately enraged. Glaring at the reporter, he grabbed the reporter’s collar with one hand and punched him.

The reporter was beaten to the ground and shouted, “ why did you hit me? I have the freedom of the press!”

“I’m hitting you!”

Gong Lingyu seemed to think that it wasn’t enough. He raised his fist and was about to continue punching him.

Suddenly, the entire venue was in a mess. Those reporters weren’t afraid of causing trouble at all. They were afraid that nothing would happen. Gong Lingyu was so angry that his hair was standing on end. Those cameras were snapping non-stop. All the questions circled around to the relationship between su Wanwan and Gong Lingyu.

“Miss su Wanwan, what’s your relationship with Mr. Gong? He’s doing this for you, did you guys rekindle your old feelings?”

miss su Wanwan, I heard that you and Mr. Gong once talked about marriage. Did he give you the ring on your finger? ”
