229 When the dream is shattered (9)

A reporter's microphone was directly extended to su Wanwan's mouth.

Su Zhenhua was so agitated by the scene in front of him that his heart couldn't stop twitching. His face turned pale, and his body trembled violently. He couldn't help but press hard on his heart, as if he couldn't hold on any longer.

Su Wanwan quickly called out softly, "Grandpa, how are you?"

Wanwan, let's go. Leave this place, leave this place! Su Zhenhua's voice trembled, and his face was extremely pale.

"Okay, Grandpa, let's go. I'll take you away."

Su Wanwan sniffed hard and forcibly suppressed her emotions that were on the verge of collapse. She raised her head and looked at the reporters in front of her. She actually chuckled softly, "what kind of answer do you want to let us go?"

"Do you want me to admit that I seduced PEI Munian, or do you want me to admit that Gong Lingyu and I rekindled our old feelings? If that's the case, fine, I'll tell you. I seduced PEI Munian and my old feelings for Gong Lingyu have rekindled, alright? Are you satisfied now?"

No one thought that su Wanwan would say something shocking the moment she opened her mouth. Everyone couldn't help but be shocked by her words.

"If there's no more questions, can you move?"

She almost roared at the reporters in front of her. They trembled and made way for her.

Su Wanwan supported Su Zhenhua and walked out of the banquet hall step by step.

Gong Lingyu left the reporter behind and chased after him. PEI Munian froze on the spot and looked at him in a daze, not knowing if she was feeling heartache or anger.

Because of this farce, the banquet could no longer continue. Assistant Wu called for security and dispersed all the reporters. Then, he apologized to the guests and saw them off.

Xi Zhiwei looked at tonight's farce and her mood was incomparably comfortable. Su Wan's miserable state simply made her spit out all the grievances she had held in for the past three years at once.

Ever since she had asked her mother to find a way to pass on the birth control pill to Mrs. PEI, she had been waiting for this day, and it had finally come.

She could finally let PEI Munian see su Wanwan's true colors. This time, he should give up on su Wanwan, right? A woman like this was not worthy of his love!

As Xi Zhiwei thought about it, she couldn't help but laugh.

This must be the time when PEI Munian was the most upset. If she comforted him, he would definitely see the good in her.

Xi Zhiwei took out a powder box from her bag, touched up her makeup, and then walked in the direction that PEI Munian had left in.

Xi Zhiwei saw PEI Munian enter the lounge. She walked to the door, brushed her hair back, took a light breath, raised her hand and knocked twice, then pushed it open and went in.

The lights in the lounge were not turned on and it was dark. Only the light from the corridor outside could be vaguely seen. PEI Munian was sitting on the sofa.

Xi Zhiwei's lips curled up and she slowly walked over.

PEI Munian leaned on the sofa, his handsome face hidden in the darkness. No emotions could be seen, but he exuded an extremely cold aura, so dangerous that it warned people not to get close.

Xi Zhiwei was also a little afraid, but she was not willing to let go of such a great opportunity. She suppressed the fear in her heart, walked over, and sat beside PEI Munian. She said gently, " brother Munian, don't be angry. I just didn't expect sister Wanwan to be such a person. She's already married to you, but she's still in a relationship with Gong Lingyu.
