230 When the dream shattered (10)

At the mention of Gong Lingyu, PEI Munian's aura seemed to become even colder. Her thin lips were tightly pursed and there seemed to be a violent dark surge in her eyes.

Xi Zhiwei was secretly happy and her voice became gentler. brother mu Nian, you can finally see su Wanwan clearly after how she treated you. She has always been like this. You don't have to be deceived by her anymore.

Xi Zhiwei looked at PEI Munian's handsome side profile and her heart moved. Her body leaned slightly towards him. Her voice was not only soft but also had a hint of seduction. brother Munian, you're just sad. Without su Wan, don't you still have me? I'm different from su Wanwan. I'll always be by your side, Yingluo."

As Xi Zhiwei spoke, she raised her hand and touched PEI Munian's thigh.

—

Su Wanwan helped Su Zhenhua out of dynasty and got into the car. Su Zhenhua's face was pale and he was panting heavily. Su Wanwan quickly took out the spare medicine in the car and fed it to Su Zhenhua. Grandpa, take the medicine first.

Su Zhenhua took the medicine with difficulty in su Wanwan's hand. Su Wanwan handed him a glass of water and let him drink it. Then she reached out and gently stroked his back and front to help him breathe. Grandpa, are you feeling better? "

Su Zhenhua seemed to be too weak to speak and only nodded gently.

Gong Lingyu chased after her from behind and knocked on the car window.

Su Wanwan thought it was a reporter who had chased after her. Her heart skipped a beat and she looked up. Fortunately, it was Gong Lingyu.

She rolled down the car window and Gong Lingyu's worried voice could be heard. Wanwan, are you alright? Also, old man, are you alright?"

Su Wanwan curved her lips and said in a low voice, " it's nothing, Lingyu. Ran ran thanks you for just now.

Gong Lingyu looked at su Wanwan's pale face, but she was still forcing a smile, and his heart ached.

Ever since she had said those words to him the last time, he no longer dared to disturb her. After all, she was married, and they had to avoid suspicion. After all, he didn't want to put her in a difficult position, and he wanted her to be happy.

However, he had never expected PEI Munian to treat her like this. She publicly announced that she had acquired the SU family enterprise and allowed the reporters to embarrass her.

He clearly knew how important SU's enterprise was to su Wanwan, but he ruthlessly wanted to take away her most important thing. That was equivalent to stabbing a knife into her heart!

Wanwan, if you're sad, you don't have to hold on to Hanhan so hard.

"I'm fine," she said.

Su Wanwan was still smiling, but this smile was uglier than crying.

Gong Lingyu's hands clutched the windowsill so tightly that his fingertips turned white. Wanwan, Wanwan, Wanwan.

"I'm really fine."

Su Wanwan directly interrupted his words and emphasized. She even squeezed out a smile and said, "Lingyu, can I trouble you with something?"

"Go ahead,"

"Help me send Grandpa home."

Gong Lingyu frowned. what about you? "

Su Wanwan's hand unconsciously clenched and her voice was frighteningly hoarse. there are some things that I have to ask clearly.

"You want to look for PEI Munian?" Gong Lingyu's brows furrowed. Wanwan, he's already treating you like this. What else is there to ask? "

"No, I want to know. I must know why! Why did he do this to me!"

She knew that if she went back to ask PEI Munian, she would only face an even more embarrassing humiliation. But even so, she still had to ask. Even if she had to die, she had to know the reason. She did not want to die without knowing why!
