231 I don't care for you anymore (1)

Su Wanwan pushed the door open and got out of the car. She slightly bowed to Gong Lingyu. Lingyu, I'll leave Grandpa in your care.

Although Gong Lingyu didn't want her to look for PEI Munian now, he sighed helplessly when he saw her determined attitude. alright, I'll send the old master back. Can you really do it yourself, Qianqian? "

"I can." Su Wanwan replied.

Gong Lingyu was still worried. how about this? I'll send the old master back first and then come back to find you.

"No, thank you."

After su Wanwan finished speaking, she straightened her back and returned the way she came without looking back.

Gong Lingyu stood there and looked at su Wanwan's stiff back. He clenched his hands hard, then opened the door and sat in, telling the driver to start the car.

Su Wanwan returned to the banquet hall. There were still some guests who hadn't left. When they saw her return, they were all surprised. After all, they didn't expect that she actually had the face to come back.

Assistant Wu was sending off the guests. When she saw su Wan, she was equally surprised.

Su Wanwan didn't seem to notice those people's gazes. She looked around the venue and didn't see PEI Munian. She went straight to assistant Wu and asked in a hoarse voice, " where is PEI Munian? "

Assistant Wu couldn't help but hesitate.

Su Wanwan's big eyes stared at him and she asked stubbornly, " where is PEI Munian? "

It wasn't that assistant Wu didn't want to tell su Wanwan where the big BOSS was, it was just that it was really not suitable for the two of them to talk in this state. If they weren't careful, it would only add oil to the fire. It was better to wait for everyone to calm down and then have a good talk.

"Young Madam, it's too messy here today. I think you must be tired. Why don't you go back and rest, Hanhan?"

Before assistant Wu could finish speaking, su Wanwan interrupted him, " forget it. If you don't tell me, I'll find it myself!

su wanwan bypassed assistant wu and walked towards the banquet hall.

Assistant Wu wanted to stop her, but seeing her posture, he knew that he couldn't stop her. He chased after her and sighed, " young Madam, I can tell you, but please calm down. Don't let your emotions get the better of you. Let's talk it out.

Su Wanwan didn't speak.

Assistant Wu had no choice but to point in the direction of the lounge. boss PEI is in the lounge.

Su Wanwan lifted her feet and directly walked over there.

Before Xi Zhiwei's hand could touch PEI Munian's leg, her wrist was grabbed by a strong force. The force was so strong that it almost crushed the bones in her wrist. Xi Zhiwei could not help but cry out in pain.

She looked up and met PEI Munian's bone-chilling gaze. Xi Zhiwei shuddered and subconsciously tried to explain. brother Munian, I'm Hanhan. I'm only Hanhan.

The door was suddenly pushed open. Perhaps the force behind the door was strong, but the door slammed heavily into the pillar behind it, making a loud noise.

PEI Munian and Xi Zhiwei both looked over.

Su Wanwan walked in and the lights from the corridor outside poured in, shining on the two people sitting on the sofa. Su Wanwan's gaze looked at PEI Munian, then at Xi Zhiwei, and finally stopped at their hands that were clasped together.

Su Wanwan stared at it for two seconds, then moved away expressionlessly. In a hoarse voice, she said to Xi Zhiwei, " I have something to say to him. Please go out for a while.

Su Wanwan's sudden return was beyond Xi Zhiwei's expectations. However, looking at her appearance just now, it was obvious that she had misunderstood something. She naturally would not go out at this time. the person who should go out, is it you? "
