

Deeply 237

237 I don't care for you anymore (7)

As soon as Su Zhenhua finished speaking, he coughed violently. His blood rushed up, his cheeks flushed red, and the expression on his face became more and more painful.

Su Wanwan exclaimed worriedly, "Grandpa, are you alright?"

She reached out to help him breathe, but Su Zhenhua pushed her away. since you don't want to care about the company, then don't care about me either. If the company is gone, then I'll just die too!

Su Wanwan's tears fell when she heard Su Zhenhua's words. Grandpa, what nonsense are you talking about? You're my only family member, how can you say such things?"

After her parents passed away, her sister was forced to get married, and she cut off all ties with her grandfather, she didn't even want to contact her anymore. In the past year, she had experienced the death of her parents and the separation of her sister. From a happy and happy family, she was left with only one person in an instant. Her home was broken just like that, and she had no home.

Therefore, even though she knew that her grandfather's purpose in keeping her by his side was mostly because she was of value, she was like a drowning person who could only grab onto a piece of driftwood and was unwilling to let go.

She couldn't bear to lose her grandfather again. How could he say such hurtful words?

Su Wanwan's tears fell and hit the back of Su Zhenhua's hand. Su Zhenhua seemed to be touched and shook violently, then slowly calmed down.

Su Zhenhua looked at su Wanwan's face full of tears. His eyes were also wet, and he seemed to have aged ten years in an instant. Wanwan, it's not that Grandpa wants to force you, it's not that Grandpa doesn't care about you, but we have no other choice. If PEI Munian wants to acquire the company, it's a matter of lifting a finger. We can't resist at all.

"Grandpa, it's Yingluo." Su Wanwan's voice was choked and she couldn't speak.

Su Zhenhua suddenly struggled to get up. As soon as his feet touched the ground, his knees bent and his body slowly shrank. Wanwan, just take it as Grandpa is begging you. Go and find PEI Munian. No matter what he wants, you have to agree to it as long as he doesn't acquire the company and is willing to let go of the SU group!

When Su Zhenhua knelt on the ground, su Wanwan's Black pupils suddenly contracted and her tears stopped in shock. Grandpa, what are you doing? Quickly get up."

She reached out and wanted to help Su Zhenhua up, but Su Zhenhua was unwilling to get up. He kept muttering and repeating the words of asking su Wanwan to find PEI Munian.

Su Wanwan couldn't help Su Zhenhua up. She had also lost all her strength. She knelt down and cried sadly.

In the face of the cruel reality, her self-esteem could not withstand a single blow. She did not want to beg PEI Munian, but reality forced her to bow her head. Even if she knew that even if she begged PEI Munian, he might not be willing to let go of the SU family, her grandfather had placed all his hopes on her. She had no choice and no way out.

I'll go, I'll go. Grandpa, I'll go look for PEI Munian. I'll go look for him. I'll ask him to let go of the SU group as long as you're well. You just have to be well.

The rest of her words were drowned out by her crying, and she couldn't say anything.

After a long time, su Wanwan finally stopped crying. She helped Su Zhenhua back to the bed, wiped her tears, and got up.

Reality did not allow her to continue being weak, so she gritted her teeth and had to be strong.

Su Wanwan returned to her room, washed her face, clenched her hands, turned around, went out, and drove to PEI's group.
