The moment she saw PEI Munian walk in, su Wanwan sat there in a daze. She didn't expect PEI Munian to come back today. If she had known, she wouldn't have come no matter what.

Yesterday, when she went to look for him with her last glimmer of hope, she had already abandoned all her dignity and pride. She didn't even hesitate to humiliate herself. However, she had clearly remembered every word he said to her in her mind and didn't dare to forget it.

This way, she could remind herself not to be delusional and have wishful thinking.

PEI Munian's Black eyes slowly swept across the living room and landed on su Wanwan. Su Wanwan's hands that were on her legs suddenly clenched tightly. She lowered her eyes and did not dare to look PEI Munian in the eye. However, she could still feel his gaze. It was sharp and terrifying, as if he wanted to see through her.

Mrs. PEI looked at her son's gloomy face and then at su Wanwan on the other side. She sat there awkwardly, her body still trembling slightly, as if the person standing in front of her was not her husband, but her enemy.

Mrs. PEI couldn't help but frown. She grabbed PEI Munian and pulled him to the sofa. Then, she pressed him down to sit next to su Wanwan and said, " I don't know what kind of conflict you two have that led to the acquisition of the company, but it's inevitable for this couple to quarrel. You can't hurt your relationship because of a moment of anger, so you two should have a good chat here. If there's anything you want to talk about, make it clear, understand? "

PEI Munian glanced at Mrs. PEI expressionlessly. Her thin lips moved and she was about to speak.

Mrs. PEI directly chided him, " shut up! Your protest is Overruled!

PEI Munian's brows furrowed tightly, her dark eyes heavy and the aura around her body cold.

Although su Wanwan didn't look at PEI Munian, she sat beside him and was attacked by the coldness emitted from his body. Her heart shivered fiercely and her hands clenched even tighter.

She finally understood that Mrs. PEI had asked her to come back for dinner today to ease the conflict between her and PEI Munian. Although Wanwan had good intentions, it would only backfire on her.

Although su Wanwan really wanted to talk about the acquisition with PEI Munian's father, she couldn't talk to him face-to-face with PEI Munian here. Today, it could only end without a solution.

Su Wanwan felt that it was a pity, but there was nothing she could do. Since there was no way to talk, then there was no need for her to stay here any longer, so as not to let Xuxu be an eyesore to PEI Munian.

Su Wanwan's Red lips lightly pursed. She suddenly stood up and said to Madam PEI, " mom, I, Hanhan, suddenly remembered that I have an emergency at the company. I need to go back to deal with it. I, I won't be eating here.

Mrs. PEI was stunned. She had already felt su Wanwan's negative attitude on the phone earlier. She didn't expect her to really give up such a chance to ease her relationship with PEI Munian. Could it be that she really didn't want to win back Munian?

Mrs. PEI couldn't help but look at PEI Munian. PEI Munian's expression didn't change, and her eyes were deep and dark, without any emotion.

Mrs. PEI was extremely anxious. These two people were so awkward that she didn't want to say anything. When would they reconcile?

Mrs. PEI was anxious and could not care less. no, the two of you must make things clear today! Otherwise, don't even think about leaving!"
