Mrs. PEI reached out her hand and unceremoniously pressed on su Wanwan's shoulder, forcing her to sit back down.

Su Wan was caught off guard and sat down. Her body accidentally touched PEI Munian's body. Her heart thumped and she quickly retracted her hands and feet. She sat further away and tried to keep a distance from him.

pei munian's black eyes narrowed slightly. something seemed to flash across her eyes and her gaze became colder.

Su Wanwan really didn't want to stay any longer and invite humiliation on herself, so she could only accept Mrs. PEI's good intentions. She opened her mouth and wanted to decline, but PEI Munian spoke first. mom, do you plan to stay here and watch us talk? "

Mrs. PEI's eyes were wide open, but she blinked hard at PEI MU's words. She coughed lightly and said, "No, you guys chat. I, I won't disturb you. You guys chat."

As Mrs. PEI spoke, she turned around and walked out of the living room. However, she turned back three times, her gaze still on them.

Seeing Mrs. PEI like this, PEI Munian's brows furrowed impatiently. He suddenly reached out and grabbed su Wan's wrist. Then, he pulled her up from the sofa. He strode with his long legs and went straight upstairs.

Su Wanwan didn't react immediately. She followed him in a daze until PEI Munian brought her to the second floor. She suddenly came back to her senses and couldn't help but struggle. where are you taking me? Let me go!"

Su Wanwan wanted to shake off PEI Munian's hand, but his hand was like an iron chain, tightly holding her wrist. She couldn't shake it off no matter what. Moreover, his strength was extremely great. He grabbed her in pain and frowned. She gritted her teeth hard and didn't cry out in pain.

PEI Munian dragged her all the way to his bedroom and slammed the door shut. It was only then that he flung her hand away with all his might, as if he had touched something dirty.

Su Wanwan couldn't stand firm and was hit by his strength. She fell directly on the sofa.

PEI Munian took a few steps forward and looked down at her from above. Her handsome face was full of anger and there seemed to be a hidden surge in the bottom of her eyes, exuding extreme danger.

Su Wanwan trembled from his gaze and didn't know how to move her hands and feet.

PEI Munian had said that she didn't want to see him, but she had appeared in front of him again. One could imagine how angry he was. It was just that she really didn't do it on purpose.

Su Wanwan's eyes were flustered. She stammered and explained, " PEI, PEI Munian, I didn't know you would come back tonight, Yueyue.

Before she could finish speaking, she was interrupted by PEI Munian's sneer. su Wan, you're really good at acting. It's not enough to act in front of me, now you still want to act in front of dad and mom!

".....?"

but let me tell you, even if you bring out my mother, it's still useless. If you have so much time to play these tricks, why don't you think about how I'm going to clean up your su family's mess after I buy over the SU family? "

Su Wanwan's face was slightly pale. Now, no matter what she did, in his eyes, it was all an ulterior motive and a conspiracy.

Although she had indeed come to the PEI residence today for the SU family's matter, she really had no intention of getting involved with him anymore. She also did not know that Mrs. PEI would have such an arrangement.

Su Wanwan clenched her hands tightly and her voice trembled a little. I really didn't know about today's matter in advance.
